Women Talk Money Rebecca Walker, 2023-03-14 A searing and fearless anthology of essays exploring the profound impact of money on women's lives, edited by prominent feminist and writer Rebecca Walker. *Women Talk Money* is a groundbreaking collection that lifts the veil on what women talk about when they talk about money. It unflinchingly recounts the power of money to impact health, define relationships, and shape identity. The collection includes previously unpublished essays by trailblazing writers, activists, and models such as Alice Walker, Tressie McMillan Cottom, Rachel Cargle, Tracy McMillan, Cameron Russell, Sonya Renee Taylor, Adrienne Maree Brown, and more, with Rebecca Walker as editor. In this provocative anthology, we discover a family that worships money even as it tears them apart; we read about the financial death sentence a transgender woman must confront to live as herself; we trace the journey of a Silicon Valley entrepreneur who finally makes enough money to discover her spiritual impoverishment; we follow a stressful email exchange between an unsympathetic university financial officer and a desperate family who can't afford to pay their daughter's tuition; and more. This collection is a clarion call to conduct honest conversations that demystify and transform the role money plays in our lives. Dazzlingly resonant and deeply familiar, *Women Talk Money* is a revelation.
