*Talking with Nature* Michael J. Roads, 1987 The universe speaks in many ways if we develop the ability to hear its voice Michael Roads brings this message in his account of seven months in Australia where he was led step by step to a final wisdom that is remarkable in its simplicity and in its message of hope for all humanity Voices of the Spirits of Nature Paola Pierpaoli, 2015-04-15 The voices of the spirits of nature collected by Paola Pierpaoli on walks in the area of Lake Bracciano Rome The book is provided with images of anthropomorphic trees and drawings It s suitable for adults and children as it can be read and seen as a fairy tale **Soulcraft** Bill Plotkin, 2010-10-05 Since 1980 depth psychologist Bill Plotkin has been guiding women and men into the wilderness the redrock canyons and snow crested mountains of the American West but also into the wilds of the soul He calls this work soulcraft There s a great longing in all people to uncover the secrets and mysteries of our individual lives to find the unique gift we were born to bring to our communities and to experience our full membership in the more than human world This journey to soul is a descent into layers of the self much deeper than personality a journey meant for each one of us not just for the heroes and heroines of mythology A modern handbook for the journey Soulcraft is not an imitation of indigenous ways but a contemporary nature based approach born from wilderness experience the traditions of Western culture and the cross cultural heritage of all humanity Filled with stories poems and guidelines Soulcraft introduces over 40 practices that facilitate the descent to soul including dreamwork wilderness vision fasts talking across the species boundaries council self designed ceremony nature based shadow work and the arts of romance being lost and storytelling The Holistic Animal Handbook Kate Solisti-Mattelon, Patrice Mattelon, 2004 The Holistic Animal Handbook is the first book to bring together practical information about diet nutrition and training with animal communication and emotional balancing techniques The book guides readers into helping their companion animals themselves and encourages them to work as well with veterinarians trainers and health care practitioners It includes chapters that explain how to prepare healthy holistic recipes and Bach Flower Remedies for restoring an animal s emotional balance and solutions for common behavioral and training problems Focusing primarily on dogs cats and horses but relevant to virtually all animals the book presents a dual premise healthy companion animals are better equipped to help the humans they love just as educated humans are better able to comprehend their animals needs **Hugging Trees in Los Angeles** Ari Hahyar , 2014-09-29 When Ari Hahyar set out to learn to commune with nature he knew little about botany or the mysticism of plants he knew only the happiness he felt when he would leave his Santa Monica condo for a walk in the woods In Hugging Trees in Los Angeles Ari explores his neighborhood the parks and mountains of the city and natural areas as far away as the Philippines He attends workshops plants trees listens to teachers steeped in the wisdom that comes from the wilderness and takes inspiration from Thoreau s Walden as well as modern writings some scientific some environmental some more spiritual in tone He hopes to reach a level of direct communication with nature and although that connection

often eludes him he discovers something even more profound how the gift of exploration and wonder opens his heart and brings him access to his humanity
