Tamburlaine And Edward Ii Text And Performance Series

Ruth Lunney

Tamburlaine And Edward II Text And Performance Series:

Tamburlaine and Edward II George L. Geckle, 1988 *Edward II: A Critical Reader* Kirk Melnikoff, 2017-02-23 Edward II A Critical Reader gives students teachers and scholars alike an overview of the play's reception both in the theatre and among artists and critics from the end of the 16th century to the beginning of the 21st The volume also offers a series of new perspectives on the play by leading experts in the field of early modern history and culture Bolstered with a timeline tracking Marlowe's life and work an up to date bibliography and an extensive index this collection is an ideal and definitive guide to Edward II **Christopher Marlowe: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com **Edward II: With Related Texts** Christopher Marlowe, Stephen J. Lynch, 2015-03-15 This exciting new edition of Edward II is indeed reader friendly Of particular distinction are the introductory sections which include a thorough account of Marlowe's biography a fresh critical examination of the play plus a bibliography for further reading a wise consideration of the date and text and extensive annotations especially helpful to students who have difficulties with the language Of special value to both students and scholars are the Related Texts that follow the text of the play three sections of documentary evidence on historical sources power and politics and love friendship and homoeroticism all vital to an understanding of the play No previous edition of the play manages to encompass so much Robert A Logan University of Hartford [The Cambridge Introduction to Christopher Marlowe](#) Tom Rutter, 2012-02-02 Providing a comprehensive survey of Christopher Marlowe's literary career this Introduction presents an approachable account of the life works and influence of the groundbreaking Elizabethan dramatist and poet It includes in depth discussions of all of Marlowe's plays stressing what was new and revolutionary about them as well as how they made use of existing dramatic models Marlowe's poems and translations sometimes marginalised in discussions of his work are analysed to emphasise their literary importance and political resonances The book presents a balanced discussion of Marlowe's turbulent life and considers his afterlives the influence of his work on other writers and examples of how his plays have been performed In addition to introducing the reader to the historical and religious contexts

within which Marlowe wrote the Introduction stresses the qualities that continue to make his work fascinating intellectual range radical irony and an awareness of the dangerously compelling power of theatre Marlowe: The Plays Stevie Simkin, 2017-03-14 Christopher Marlowe was the most successful dramatist of his time his untimely death cutting short a career that may well have rivalled Shakespeare's His four major works Doctor Faustus Edward II The Jew of Malta and Tamburlaine are remarkable pieces of theatre daring explorations of themes such as the nature of kingship salvation and damnation sexuality and ethnic prejudice This book looks in depth at extracts from each of the plays exploring them in parallel to uncover key concerns including heroes and anti heroes gender and power and politics As well as guiding readers in an understanding of the place of these issues in their Elizabethan context and inviting them to consider their resonance today the book looks in depth at Marlowe's style his use of rhythm the complexities and richness of his poetry and his evolving development of character Particular attention is given throughout to the plays in performance Edward II Christopher Marlowe, 2014-04-18 Marlowe's play retains its power to shock even today and this edition gives full value to its three overriding themes of sexual favouritism political confrontation and sheer cruelty Critics in the last twenty years who have focused on the overtly sexual relationship between Edward and his favourite Gaveston have hailed it as a gay classic earlier interpretations concentrated rather on the deposition by his subjects of a weak king reading it in tandem with Shakespeare's Richard II The introduction shows how the play works to give the audience an equal emotional commitment to opposing points of view and concludes that this is what makes Edward II such an uncomfortable and challenging play **A Preface to Marlowe** Stevie Simkin, 2014-07-22 This study provides an authoritative overview of all Marlowe's work It includes thorough investigations of his major plays Tamburlaine Edward II The Jew of Malta and Doctor Faustus as well as a full discussion of The Massacre at Paris Dido Queen of Carthage and all his extant poetry Analysis of Faustus takes full account of both A and B text versions Thoroughly researched and yet presented in an accessible engaging style A Preface to Marlowe reads Marlowe's life and times as well as his work in the light of current critical theory Consequently it is a vital guide for all students of early modern drama As well as providing sharp analysis of stage history Dr Simkin reflects on the wider significance of a stage oriented approach The result is a reading of Marlowe that re opens debates about his status as a radical figure and as a subversive playwright and invites the reader to experience the plays as immediate exciting live documents **Placing the Plays of Christopher Marlowe** Sara Munson Deats, 2016-04-22 Focusing upon Marlowe the playwright as opposed to Marlowe the man the essays in this collection position the dramatist's plays within the dramaturgical ethical and sociopolitical matrices of his own era The volume also examines some of the most heated controversies of the early modern period such as the anti theatrical debate the relations between parents and children Machiavelli's ideology the legitimacy of sectarian violence and the discourse of addiction Some of the chapters also explore Marlowe's polysemous influence on the theater of his time and of later periods but most centrally upon his more famous

contemporary poet playwright William Shakespeare **Marlowe's Empery** Sara Munson Deats, Robert A. Logan, 2002
However although employing a critical methodology that has become increasingly popular during the past decade the essays in this section also seek to discover new relationships between Marlowe's plays and their social environment **BOOK JACKET**

The Cambridge Companion to Christopher Marlowe Patrick Cheney, 2004-07-15 The Cambridge Companion to Christopher Marlowe first published in 2004 provides a full introduction to one of the great pioneers of both the Elizabethan stage and modern English poetry It recalls that Marlowe was an inventor of the English history play Edward II and of Ovidian narrative verse Hero and Leander as well as being author of such masterpieces of tragedy and lyric as Doctor Faustus and The Passionate Shepherd to his Love Sixteen leading scholars provide accessible and authoritative chapters on Marlowe's life texts style politics religion and classicism The volume also considers his literary and patronage relationships and his representations of sexuality and gender and of geography and identity his presence in modern film and theatre and finally his influence on subsequent writers The Companion includes a chronology of Marlowe's life a note on reference works and a reading list for each chapter *Christopher Marlowe in Context* Emily C. Bartels, Emma Josephine Smith, 2013-07-11 A contemporary of William Shakespeare and Ben Jonson Christopher Marlowe was one of the most influential early modern dramatists whose life and mysterious death have long been the subject of critical and popular speculation This collection sets Marlowe's plays and poems in their historical context exploring his world and his wider cultural influence Chapters by leading international scholars discuss both his major and lesser known works Divided into three sections Marlowe's works Marlowe's world and Marlowe's reception the book ranges from Marlowe's relationship with his own audience through to adaptations of his plays for modern cinema Other contexts for Marlowe include history and politics religion and science Discussions of Marlowe's critics and Marlowe's appeal today in performance literature and biography show how and why his works continue to resonate and a comprehensive further reading list provides helpful suggestions for those who want to find out more *Marlowe: Complete Plays* Christopher Marlowe, 2012-04-26 Their texts fully restored by recent scholarship Marlowe's astonishing works can now be appreciated as originally written For the first time this edition boasts the complete plays including two versions of Doctor Faustus Blasphemy perversion defiance and transgression in a series of compelling tragedies Marlowe challenged every authority of heaven and earth From the proud wrath of Tamburlaine the tyrant of Asia to the racked anguish of Edward II himself in thrall to unspeakable desires from God's own Machiavel the Duke of Guise to Barabas the Jew of Malta curse of Christianity all are taboo breakers to be broken in their turn And in the tragedy of Doctor Faustus we perhaps read Marlowe's own a tale of brilliance and audacity and of terrible inexorable punishment Their texts fully restored by recent scholarship Marlowe's astonishing works can now be appreciated as originally written For the first time this edition boasts the complete plays including two versions of Doctor Faustus *The Plays of Christopher Marlowe and George Peele* Brian B. Ritchie, 1999 This work is concerned with the evaluation of rhetoric as an essential aspect of

Renaissance sensibility It is an analysis of the Renaissance world viewed in terms of literary style and aesthetic Eight plays are analysed in some detail four by George Peele The Battle of Alcazar Edward I David and Bethsabe and The Arraignment of Paris and four by Christopher Marlowe Dido Queen of Carthage Tamburlaine Part One Dr Faustus and Edward II The work is thus partly a comparative study of two important Renaissance playwrights it seeks to establish Peele in particular as an important figure in the history and evolution of the theatre Verbal rhetoric is consistently linked to an analysis of the visual so that the reader viewer is encouraged to assess the plays holistically as unified works of art Emphasis is placed throughout on the dangers of reading Renaissance plays with anachronistic expectations of realism derived from modern drama the importance of Elizabethan audience expectation and reaction is considered and through this the wider artistic sensibility of the period is assessed

Christopher Marlowe at 450 Sara Munson Deats, Robert A. Logan, 2016-05-23 There has never been a retrospective on Christopher Marlowe as comprehensive complete and up to date in appraising the Marlovian landscape Each chapter has been written by an eminent international Marlovian scholar to determine what has been covered what has not and what scholarship and criticism will or might focus on next The volume considers all of Marlowe's dramas and his poetry including his translations as well as the following special topics Critical Approaches to Marlowe Marlowe's Works in Performance Marlowe and Theatre History Electronic Resources for Marlovian Research and Marlowe's Biography Included in the discussions are the native continental and classical influences on Marlowe and the ways in which Marlowe has interacted with other contemporary writers including his influence on those who came after him The volume has appeal not only to students and scholars of Marlowe but to anyone interested in Renaissance drama and poetry Moreover the significance for readers lies in the contributors' approaches as well as in their content Interest in the biography of Christopher Marlowe and in his works has burgeoned since the turn of the century It therefore seems especially appropriate at this time to present a comprehensive assessment of past and present traditional and innovative lines of inquiry and to look forward to future developments

Marlowe Avraham Oz, 2003-10-21 Christopher Marlowe is known not only as Shakespeare's most notable contemporary playwright but also as one of the most intriguing figures of the English Renaissance The mystery of his death in a fray at the age of 29 has inspired writers around the world and his fiery career is no less intriguing This New Casebook offers a wide ranging selection of essays on Marlowe's major plays Articles from the last two decades by leading critics of English early modern drama provide a variety of fresh controversial and enlightening critical perspectives on five of Marlowe's plays Tamburlaine the Great Parts One and Two The Jew of Malta Doctor Faustus and Edward II

The Irony of Identity Ian McAdam, 1999-06 Engaging the theories of Heinz Kohut on the individual's struggle for manliness and personal wholeness McAdam illustrates how two fundamental points of destabilization in Marlowe's life and work his subversive treatment of Christian belief and his ambivalence toward his homosexuality clarify the plays interest in the struggle for self authorization The author posits a post Freudian argument in favor of pre Oedipal narcissistic

pathology in Marlowe's plays in contrast to Kuriyama's psychoanalytic study *Hammer or Anvil* which is Freudian in approach and concerned with Oedipal patterns *Drama as Rhetoric/rhetoric as Drama* Stanley Vincent Longman, 1997 Inasmuch as drama seeks to keep an audience engaged it takes on rhetorical qualities likewise rhetorical endeavour may employ dramatic appeal Centuries ago Aristotle's companion pieces *The Rhetoric* and *The Poetic* generated crosscurrents of critical thought about rhetoric and dramatic theory Recently such critic theorists as Kenneth Burke Ernest Bormann Elder Olson Paul de Man and others have stirred up these currents afresh The contributors to this volume take new approaches to enduring issues

Marlowe and the Popular Tradition Ruth Lunney, 2002 Lunney explores Marlowe's engagement with the traditions of the popular stage in the 1580s and early 1590s and offers a new approach to his major plays in terms of staging and audience response as well as providing a new account of English drama in these important but largely neglected years

Shakespeare and the Versification of English Drama, 1561-1642 Marina Tarlinskaja, 2016-12-05 Surveying the development and varieties of blank verse in the English playhouses this book is a natural history of iambic pentameter in English The main aim of the book is to analyze the evolution of Renaissance dramatic poetry Shakespeare is the central figure of the research but his predecessors contemporaries and followers are also important Shakespeare the author argues can be fully understood and appreciated only against the background of the whole period Tarlinskaja surveys English plays by Elizabethan Jacobean and Caroline playwrights from Norton and Sackville's *Gorboduc* to Sirley's *The Cardinal* Her analysis takes in such topics as what poets treated as a syllable in the 16th 17th century metrical verse the particulars of stressing in iambic pentameter texts word boundary and syntactic segmentation of verse lines their morphological and syntactic composition syllabic accentual and syntactic features of line endings and the way Elizabethan poets learned to use verse form to enhance meaning She uses statistics to explore the attribution of questionable Elizabethan and Jacobean plays and to examine several still enigmatic texts and collaborations Among these are the poem *A Lover's Complaint* the anonymous tragedy *Arden of Faversham* the challenging *Sir Thomas More* the later Jacobean comedy *The Spanish Gypsy* as well as a number of Shakespeare's co-authored plays Her analysis of versification offers new ways to think about the dating of plays attribution of anonymous texts and how collaborators divided their task in co-authored dramas

Embark on a transformative journey with is captivating work, **Tamburlaine And Edward Ii Text And Performance Series** .
