The Recovering Farmer Gerry Friesen, 2024-04-25 Gerry Friesen AKA The Recovering Farmer chronicles his journey through anxiety, depression, and addiction to a place of improved mental health and even sometimes happiness. Mental health or lack thereof has become a major topic in agricultural communities around the world. There is still a strong stigma attached to conversations around mental health and an attitude that to admit you need help is a shameful thing. This book aims to challenge those attitudes. It explores the aspects of Gerry's life as a farmer that contributed to his mental health, both positive and negative, and contains concrete tools for others to maintain and build their mental wellness. Surprisingly upbeat and admirably honest, *The Recovering Farmer* is a memoir, but it is also a powerful recovery tool for those struggling with mental health. It reminds us that it's okay not to be okay and that there is no shame in reaching out for help.
