closest to him the book offers an emotional complex portrait of young Elvis Presley with a depth and dimension that for the first time allow his extraordinary accomplishments to ring true Peter Guralnick has given us a previously unseen world a rich panoply of people and events that illuminate an achievement a place and a time as never revealed before Yesterday, Today Was Tomorrow Philemon B Waters, 2013-07-16 This quasi autobiography began when I concluded my nightly prayer in The Home Enough is enough Please take me back God My intention was a one way ticket to heaven However God sets me straight Luke you have never been to heaven Believe me I AM never forgets a face But God does take me back back to the day I was born eventually However whoever was in charge ignored any close consideration for chronology duration of events or individuals actually involved was ignored Nevertheless I got what every man woman and child covets and dying to get A second first chance **African American Sites in Florida** Kevin M. unravelling of the dream that once shone so brightly homing in on the complex playing out of Elvis relationship with his Machiavellian manager Colonel Tom Parker It s a breathtaking revelatory drama that for the first time places the events of a too often mistold tale in a fresh believable and understandable context Elvis changes during these years form a tragic mystery that Careless Love unlocks for the first time This is the quintessential American story encompassing elements of race class wealth sex music religion and personal transformation Written with grace sensitivity and passion Careless Love is a unique contribution to our understanding of American popular culture and the nature of success giving us true insight at last into one of the most misunderstood public figures of our times
