

THE TANK DEBATE

ARMOUR AND THE ANGLO-AMERICAN MILITARY TRADITION

John Stone

Tank Debate Armour And The Angloamerican Military Tradition

Bert Chapman

Tank Debate Armour And The Angloamerican Military Tradition:

The Tank Debate John Stone, 2018-12-07 In The Tank Debate John Stone highlights the equivocal position that armour has traditionally occupied in Anglo American thought and explains why despite frequent predictions to the contrary the tank has remained an important instrument of war This book provides a timely and provocative study of the tank s developmental history against the changing background of Anglo American military thought **The Sources of Military Change** Theo Farrell, Terry Terriff, 2002 In varying circumstances military organizations around the world are undergoing major restructuring This book explores why and how militaries change **Breaking The Mold: Tanks In The Cities**

[Illustrated Edition] Kendall D. Gott, 2014-08-15 Illustrated with 30 maps Few lessons are as prevalent in military history as is the adage that tanks don t perform well in cities The notion of deliberately committing tanks to urban combat is anathema to most In Breaking the Mold Tanks in the Cities Mr Ken Gott disproves that notion with a timely series of five case studies from World War II to the present war in Iraq This is not a parochial or triumphant study These cases demonstrate that tanks must do more than merely arrive on the battlefield to be successful in urban combat From Aachen in 1944 to Fallujah in 2004 the absolute need for specialized training and the use of combined arms at the lowest tactical levels are two of the most salient lessons that emerge from this study When properly employed well trained and well supported units led by tanks are decisive in urban combat The reverse is also true Chechen rebels taught the Russian army and the world a brutal lesson in Grozny about what happens when armored units are poorly led poorly trained and cavalierly employed in a city The case studies in this monograph are high intensity battles in conflicts ranging from limited interventions to major combat operations It would be wrong to use them to argue for the use of tanks in every urban situation As the intensity of the operation decreases the second and third order effects of using tanks in cities can begin to outweigh their utility The damage to infrastructure caused by their sheer weight and size is just one example of what can make tanks unsuitable for every mission Even during peace operations however the ability to employ tanks and other heavy armored vehicles quickly can be crucial A study on the utility of tanks in peace operations is warranted and planned Timothy R Reese Colonel Armor

Military Strategy John Stone, 2013-02-14 Military strategy is concerned with the translation of armed force into intended political effects As such it constitutes one of the most important activities of the past two centuries and yet during this period it has not always been practised very effectively In this book John Stone seeks to explain why this has been the case by examining various instances of strategic practice drawn from the period between the eighteenth century and the present day He contends that to be truly effective strategy must faithfully reflect the political context in which it is formulated Where strategy has failed it is frequently because its practitioners have paid undue attention to military technical matters at the expense of politics **Military Doctrine** Bert Chapman, 2009-09-03 This comprehensive volume provides a thorough overview of 20th and 21st century military doctrines worldwide Military Doctrine A Reference Handbook takes a thorough look at 20th

and 21st century military doctrines around the world It excerpts relevant English language scholarly and governmental literature to paint a picture of how military doctrine has developed in recent history what military doctrines are currently operating on the world stage and where military doctrine is heading in the near future The book casts a wide net scanning the relevant government documents international agreements monographs journals conference papers and Internet resources to present a thorough overview of the importance of military doctrine in today's highly unstable world Because military institutions are important formulators of national military doctrine and not merely implementers this book examines the roles played by military organizations around the world With the proliferation of independent military scholars and the widespread influence of their work in the Internet age the book also scans the gray literature and describes its effects on military doctrine

Military Review, 2004 *Professional Journal of the United States Army*, 2004 *Contemporary Issues in Management Accounting* Alnoor Bhimani, 2006-03-09 The book comprehensively covers established and emerging areas in the fast changing field of Management Accounting Well established accounting of practices such as budgeting costing responsibility accounting and capital investment analysis are discussed alongside innovative and emerging accounting based approaches to organizational control

Technology and Security Brian Rappert, 2007-10-11 This book takes forward the existing state of academic understanding where security and technology intersect It assesses the challenges posed by emerging scientific and technological developments for security while understanding how perceptions of security threats are themselves formed in relation to conceptions of science and technology

The Sword and the Shield Kristan Stoddart, 2014-04-29 Kristan Stoddart reveals for the first time discussions that took place between the British French and US governments for nuclear cooperation in the early to mid 1970s In doing so it sets the scene for the upgrade to Britain's Polaris force codenamed Chevaline and how this could have brought down Harold Wilson's Labour government of 1974-1976

War, Image and Legitimacy James Gow, Milena Michalski, 2008-03-10 This book examines how image affects war and whether image affects our understanding of war Crucially how can moving image representation of conflict affect the legitimacy conduct and outcome of contemporary warfare The collapsing Twin Towers of September 11 the hooded figure at the Abu Ghraib prison in Iraq the images of beheadings on the internet the emaciated figure in a Bosnian Serb concentration camp the dancing flashes across the skylines of Baghdad as US led air bombardment deals blows to another rogue regime such images define contemporary conflict Drawing on a wide range of examples from fiction and factual film current affairs and television news as well as new digital media this book introduces the notion of moving images as the key weapons in contemporary armed conflict The authors make use of information about the US the UK the War on Terror the former Yugoslavia former Soviet states the Middle East and Africa War Image and Legitimacy will be of great interest to students of war and security studies media and communication studies and international relations in general

Routledge Handbook of War, Law and Technology James Gow, Ernst Dijxhoorn, Rachel Kerr, Guglielmo Verdirame, 2019-05-15 This

volume provides an authoritative cutting edge resource on the characteristics of both technological and social change in warfare in the twenty first century and the challenges such change presents to international law The character of contemporary warfare has recently undergone significant transformation in several important respects the nature of the actors the changing technological capabilities available to them and the sites and spaces in which war is fought These changes have augmented the phenomenon of non obvious warfare making understanding warfare one of the key challenges Such developments have been accompanied by significant flux and uncertainty in the international legal sphere This handbook brings together a unique blend of expertise combining scholars and practitioners in science and technology international law strategy and policy in order properly to understand and identify the chief characteristics and features of a range of innovative developments means and processes in the context of obvious and non obvious warfare The handbook has six thematic sections Law war and technology Cyber warfare Autonomy robotics and drones Synthetic biology New frontiers International perspectives This interdisciplinary blend and the novel rich and insightful contribution that it makes across various fields will make this volume a crucial research tool and guide for practitioners scholars and students of war studies security studies technology and design ethics international relations and international law

Tank Warfare Jeremy Black, 2020-10-27 An insightful and informative overview of the role of tanks in combat from the First World War to the present day Dennis Showalter author of *Armor and Blood* The story of the battlefield in the twentieth century was dominated by a handful of developments Foremost of these was the introduction and refinement of tanks In *Tank Warfare* Jeremy Black a recipient of the Samuel Eliot Morison Prize from the Society for Military History offers a comprehensive global account of the history of tanks and armored warfare in the twentieth and twenty first centuries First introduced onto the battlefield during World War I tanks represented the reconciliation of firepower and mobility and immediately seized the imagination of commanders and commentators concerned about the constraints of ordinary infantry The developments of technology and tactics in the interwar years were realized in the German blitzkrieg in World War II and beyond Yet the account of armor on the battlefield is a tale of limitations and defeats as well as of potential and achievements *Tank Warfare* examines the traditional narrative of armored warfare while at the same time challenging it and Black suggests that tanks were no silver bullet on the battlefield Instead their success was based on their inclusion in the general mix of weaponry available to commanders and the context in which they were used An excellent overview of the subject

Armoured Warfare Alaric Searle, 2017-02-09 This book charts the history of armoured warfare from the first use of the tank in 1916 right through to the 21st century adopting military political and global perspectives Alaric Searle explores the origins of the tank the part it played in the First World War and its contribution to the outcome of the war He considers its role as a tool of propaganda the military controversies of the interwar period and the employment of armoured forces in all the major theatres in the Second World War Since the First World War major and

medium sized powers have invested heavily in armoured forces Searle looks at the conduct of mechanised warfare in Korea Indo China and Vietnam and during conflicts such as the Arab Israeli Wars and the Gulf Wars Armoured Warfare adopts a global perspective providing the most comprehensive survey of the history of the subject currently available With a detailed bibliography of both primary and secondary sources it is an ideal companion for those studying armoured warfare modern military history and war studies

Breaking the Mold Kendall D. Gott, 2006 Contains five case studies from World War II to the present war in Iraq analyzing the utility of tanks and heavy armored forces in urban combat Breaking the Mold provides an up to date analysis of the utility of tanks and heavy armored forces in urban combat The case studies in this monograph are high intensity battles in conflicts ranging from limited interventions to major combat operations As the intensity of the operation decreases the second and third order effects of using tanks in cities can begin to outweigh their utility The damage to infrastructure caused by their sheer weight and size is just one example of what can make tanks unsuitable for every mission Even during peace operations however the ability to employ tanks and other heavy armored vehicles quickly can be crucial These cases demonstrate that tanks must do more than merely arrive on the battlefield to be successful in urban combat From Aachen in 1944 to Fallujah in 2004 the absolute need for specialized training and the use of combined arms at the lowest tactical levels are two of the most salient lessons that emerge from this study When properly employed well trained and well supported units led by tanks are decisive in urban combat The reverse is also true

The Journal of Military History, 2004

Weapons & Warfare Salem Press, 2010 This work features 140 chronologically arranged overviews of the history of weaponry and military tactics from ancient times to the present global age Originally published in 2002 Weapons and Warfare is designed to meet the needs of students seeking information about weaponry tactics and models of warfare from ancient times to the present worldwide Written with the needs of students and general readers in mind the articles contained in this set present clear discussions of the topics explaining any terms or references that may be unclear The focus on the technical and strategic development of weapons and tactics more than on a narrative chronological history of events allows students of history political science science and technology alike to gain a broad understanding of the technological and strategic advances made over time and geography The new third volume adds the essential dimension of placing these topics in broad social cultural and ethical contexts Approximately 140 topics arranged chronologically and thematically with volume 1 Ancient and Medieval covering weapons and strategies from ancient times to 1500 volume 2 The Modern Era covering weapons and strategies from approximately 1500 to the present and volume 3 Warfare Cultural and Concepts providing valuable overviews of the way warfare weapons and military history have been expressed socially politically and in the arts Each essay ranges from 1 500 words to 7 000 words The first two volumes open with overviews of major weapons groups for example in volume 1 Clubs Maces and Slings Sieges and Siegecraft in volume 2 Swords Daggers and Bayonets Rockets Missiles and Nuclear Weapons followed by chronologically arranged sections covering major historical

periods and regions of the world and their contributions to military weapons technologies and strategies Volume three touches on all sociocultural and political aspects of culture society science ethics and basic behind the battlefield theories strategies and policies The essays in this set are organized into three essay types Weapons overview articles are organized with sections on Nature and Use and Development of each weapons type The geographically arranged warfare articles feature sections on Political Considerations where relevant and on Military Achievement Weapons Uniforms and Armor Military Organization Doctrine Strategy and Tactics Warfare articles also feature a section on the primary sources from which historians base their observations and evaluates the best sources for understanding the warfare of the period Culture concept overviews new approach warfare and weaponry from several different perspectives sociological geographical cultural ritual political ethical religious tactical and strategic [Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards](#) ,1997 Theses on any subject submitted by the academic libraries in the UK and Ireland **Boekblad** ,2000-10 [Allied Armour, 1939-1945](#) Anthony Tucker-Jones,2020-11-30 During the first years of the Second World War Allied forces endured a series of terrible defeats at the hands of the Germans Italians and Japanese Their tanks were outclassed their armoured tactics were flawed But the advent of new tank designs and variants especially those from the United States turned the tables Although German armour was arguably still superior at the end of the war the competence of Allied designs and the sheer scale of their production gave them a decisive advantage on the armoured battlefield This is the fascinating story that Anthony Tucker Jones tells in this book which is part of a three volume history of armoured warfare during the Second World War Chapters cover each major phase of the conflict from the early blitzkrieg years when Hitler s panzers overran Poland France and great swathes of the Soviet Union to the Allied fight back in tank battles in North Africa Italy and northern Europe He also covers less well known aspects of the armoured struggle in sections on Allied tanks in Burma India and during the Pacific campaign Technical and design developments are a key element in the story but so are changes in tactics and the role of the tanks in the integrated all arms forces that overwhelmed the Axis

Thank you very much for downloading **Tank Debate Armour And The Angloamerican Military Tradition**. Maybe you have knowledge that, people have look numerous period for their favorite books next this Tank Debate Armour And The Angloamerican Military Tradition, but end occurring in harmful downloads.

Rather than enjoying a fine ebook subsequent to a mug of coffee in the afternoon, otherwise they juggled afterward some harmful virus inside their computer. **Tank Debate Armour And The Angloamerican Military Tradition** is manageable in our digital library an online right of entry to it is set as public for that reason you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency epoch to download any of our books like this one. Merely said, the Tank Debate Armour And The Angloamerican Military Tradition is universally compatible like any devices to read.

Tank Debate Armour And The Angloamerican Military Tradition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tank Debate Armour And The Angloamerican Military Tradition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tank Debate Armour And The Angloamerican Military Tradition has opened up a world of possibilities. Downloading Tank Debate Armour And The Angloamerican Military Tradition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tank Debate Armour And The Angloamerican Military Tradition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tank Debate Armour And The Angloamerican Military Tradition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tank Debate Armour And The Angloamerican Military Tradition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tank Debate Armour And The

Angloamerican Military Tradition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tank Debate Armour And The Angloamerican Military Tradition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Tank Debate Armour And The Angloamerican Military Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tank Debate Armour And The Angloamerican Military Tradition is one of the best book in our library for free trial. We provide copy of Tank Debate Armour And The Angloamerican Military Tradition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tank Debate Armour And The Angloamerican Military Tradition. Where to download Tank Debate Armour And The Angloamerican Military Tradition online for free? Are you looking for Tank Debate Armour And The Angloamerican Military Tradition PDF? This is definitely going to save you time and cash in something you should think about.
