*The Oxford Handbook of Caste* , 2023-10-31 Beginning with the 1990s the subject of caste has seen a profound increase in interest among scholars What was until then approached as a fossilized tradition of the ritual obsessed Hindus refusing to see the progressive spirits of the emerging

world and studied as a branch of anthropology suddenly began to be seen as a complex reality deeply embedded in a range of institutions and social practices attracting scholars from a wide range of disciplines sociology political science history literature and even economics Underlying this opening of the subject of caste were many factors epistemic empirical and political Caste is no longer approached through the classical binaries of traditional and modern the East and the West or the closed and open systems of stratification With the growing consolidation of caste based identities among those ranked lower down in the hierarchy since the 1990s raising questions of citizenship and dignity the subject has acquired a new salience As the emerging research shows the realities of caste on the ground have always been diverse across regions often contested and ever changing This Handbook presents a wide range of essays written by authors representing diverse academic disciplines and perspectives bringing together the emerging trends in the research imaginations and lived realities of caste

**Violence and New Religious Movements** James R. Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it is usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven's Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements Steps

toward a Tibetan Understanding of Purity James E. Morrison, 2025-03-27 Though of little concern to most westerners notions of what is considered clean and unclean pure and impure are of great importance to many cultures Both ritual and moral purity and impurity are significant concerns for Tibetan Buddhists and Buddhists at large being foundational to how they live their everyday lives Steps Towards a Tibetan Understanding of Purity provides a detailed analysis of Tibetan conceptions of purity and purification through a careful examination of salient Tibetan texts across a wide range of genres The practical applications of this study articulate ways to contextualize the good news of Jesus in a Tibetan Buddhist context with an emphasis on the gospel of purification Such an approach provides the reader with renewed impetus to share the gospel in meaningful and relevant ways to a Buddhist audience while also providing additional insights into the worldview of Tibetans

*Renowned Goddess of Desire* Loriliai Biernacki, 2007-10-11 Although some today extol Tantra's liberating qualities the role of women remains controversial Traditionally there are two views of women and Tantra Either the feminine is a metaphor and actual women are altogether absent or Tantra involves the transgressive use of women's bodies to serve male

interests Loriliai Biernacki presents an alternative view in which women are revered worshipped and considered worthy of spiritual attainment Her primary sources are a collection of eight Tantric texts written in Sanskrit from the 15th through the 18th century Her analysis of these texts reveals a view of women that is generally positive and empowering **Islam in South Asia in Practice** Barbara D. Metcalf,2009-09-08 This volume of Princeton Readings in Religions brings together the work of more than thirty scholars of Islam and Muslim societies in South Asia to create a rich anthology of primary texts that contributes to a new appreciation of the lived religious and cultural experiences of the world s largest population of Muslims The thirty four selections translated from Arabic Persian Urdu Bengali Tamil Gujarati Hindavi Dakhani and other languages highlight a wide variety of genres many rarely found in standard accounts of Islamic practice from oral narratives to elite guidance manuals from devotional songs to secular judicial decisions arbitrating Islamic law and from political posters to a discussion among college women affiliated with an Islamist organization Drawn from premodern texts modern pamphlets government and organizational archives new media and contemporary fieldwork the selections reflect the rich diversity of Islamic belief and practice in South Asia Each reading is introduced with a brief contextual note from its scholar translator and Barbara Metcalf introduces the whole volume with a substantial historical overview Religion, Language, and the Human Mind Paul Chilton,Monika Kopytowska,2018-04-03 Religion is a multi faceted and complex human phenomenon combining many different mental and social characteristics Among these language plays a crucial though often neglected role This volume brings together groundbreaking work from linguistics cognitive science and neuroscience as well as from religious studies in order to illuminate the origins and centrality of religion in human life
