Tao Of Love:

The Tao of Love and Sex Jolan Chang,1977 Two thousand years ago at a time when the Christian West was frantically repressing sexuality the Chinese were enjoying an erotic life that fused the sensual and the spiritual in which sexual guilt and sexual aberrations like sadism and masochism were all but absent This bestselling book by a leading modern exponent of Taoism makes that erotic life available to all who seek it With its emphasis on male restraint and female pleasure and its healing vision of sex as an expression of a deeper cosmic balance The Tao of Love and Sex offers us nothing less than a new model of loving at once exciting and serene passionate and compassionate *Red Thread Zen* Subhana Barzaghi,2014-07-15 Some of us have arrived at this particular point in our spiritual journey with a little extra baggage about passion love and sex and I have noticed that many people on the spiritual path have a tendency in the mind to create a polarisation or a separation between the spiritual path and the sexual life So what is the Tao of love passion and sex This very body is the lotus of the true law linking human beings to birth and death by the red thread of passion This approach was closely related to Tantric Buddhism that used sexual union as a religious ritual **The Tao of Love** Ivan Hoffman,1992-11-16 Tapping the wisdom of the ancient spirituality of Taoism a new guide to love teaches readers how to love more deeply to trust more deeply and to let go Original **The Tao of Love** Cheng Heng,1998-09-01 Discusses various love making positions breathing diet while stressing the connection between physical spiritual fulfillment showing how sexuality is expressive of the broader realm of Taoist spirituality The Tao of Love Ed Bremson,2003-11 The Tao Te Ching is a 2000 year old Chinese manuscript of wisdom and advice Love has been around since the dawn of time Can ancient Chinese philosophy shed any light on one of mankind s perennial concerns Ed Bremson explores this question in The Tao of Love Using the Tao Te Ching as his starting point and guide the author writes about love from an Eastern perspective Readers will find their own thinking and understanding about this subject to be stimulated The Tao of Love might not change any minds but it might help clarify and define what those minds are thinking and feeling And readers also might find an improvement in their relationships with members of the opposite sex which wouldn t be bad **The End of Divine Truthiness: Love, Power, and God** Paul Joseph Greene,2017-08-01 In The End of Divine Truthiness Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine

love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love
