The Yellow Emperor's Classic of Medicine Maoshing Ni,1995-05-10 The Neijing is one of the most important classics of Taoism as well as the highest authority on traditional Chinese medicine Its authorship is attributed to the great Huang Di the Yellow Emperor who reigned during the third millennium BCE This new translation consists of the eighty one chapters of the section of the Neijing known as the Suwen or Questions of Organic and Fundamental Nature The other section called the Lingshu is a technical book on acupuncture and is not included here Written in the form of a discourse between Huang Di and his ministers The Yellow Emperor s Classic of Medicine contains a wealth of knowledge including etiology physiology diagnosis therapy and prevention of disease as well as in depth investigation of such diverse subjects as ethics psychology and cosmology All of these subjects are discussed in a holistic context that says life is not fragmented as in the model provided by modern science but rather that all the pieces make up an interconnected whole By revealing the natural laws of this holistic universe the book offers much practical advice on how to promote a long happy and healthy life The original text of the Neijing presents broad concepts and is often brief with details The translator s elucidations and interpretations incorporated into the translation help not only to clarify the meaning of the text but also to make it a highly readable narrative for students as well as for everyone curious about the underlying principles of Chinese medicine

Dressage in the Fourth Dimension Sherry Ackerman,2010-09-07 Dressage is often seen as the most formal and controlled of the equine sports following an ancient standardized training progression For philosopher and dressage instructor Dr Sherry Ackerman dressage is much more It along with riding in general can be a transformational art and an avenue for reflection exploration and self knowledge through which a rider can experience liberation from the individual egoistic self This second revised edition of Dressage in the Fourth Dimension is a pioneer work in awakening dressage consciousness Drawing on such diverse sources as sacred geometry ancient Western and Eastern philosophies and esoteric spirituality Ackerman seeks to heal humanity s alienation from nature through riding She points us toward the liberation from societal conditioning and normative thinking and ultimately from our own egos Her concept of the fourth dimension requires us to leave the analytic objective mind behind and enter into the mystery of inspiration A short unique thought provoking work that has enjoyed a word of mouth reputation among horse people for years Dressage in the Fourth Dimension will challenge riders assumptions about their horses and themselves

Rainforest Medicine Jonathon Miller Weisberger,2013-09-17 Chronicling the practices legends and wisdom of the vanishing traditions of the upper Amazon this book reveals the area s indigenous peoples approach to living in harmony with the natural world Rainforest Medicine

features in depth essays on plant based medicine and indigenous science from four distinct Amazonian societies deep forest and urban lowland rainforest and mountain The book is illustrated with unique botanical and cultural drawings by Secoya elder and traditional healer Agustin Payaguaje and horticulturalist Thomas Y Wang as well as by the author himself Payaguaje shares his sincere imaginal view into the spiritual life of the Secoya plates of petroglyphs from the sacred valley of Cotundo relate to an ancient language and other illustrations show traditional Secoya ayahuasca symbols and indigenous origin myths Two color sections showcase photos of the plants and people of the region and include plates of previously unpublished full color paintings by Pablo Cesar Amaringo 1938 2009 an acclaimed Peruvian artist renowned for his intricate colorful depictions of his visions from drinking the entheogenic plant brew ayahuasca vine of the soul in Quechua languages Today the once dense mysterious rainforest realms are under assault as the indiscriminate colonial frontier of resource extraction moves across the region as the forest disappears the traditional human legacy of sustainable utilization of this rich ecosystem is also being buried under modern realities With over 20 years experience of ground level environmental and cultural conservation author Jonathon Miller Weisberger s commitment to preserving the fascinating unfathomably precious relics of the indigenous legacy shines through Chief among these treasures is the shimmering golden plant medicine science of ayahuasca or yaj a rainforest vine that was popularized in the 1950s by Western travelers such as William Burroughs and Alan Ginsberg It has been sampled reviled and celebrated by outsiders ever since Currently sought after by many in the industrialized West for its powerful psychotropic and life transforming effects this sacred brew is often imbibed by visitors to the upper Amazon and curious seekers in faraway venues sometimes with little to no working knowledge of its principles and precepts Perceiving that there is an evident need for in depth information on ayahuasca if it is to be used beyond its traditional context for healing and spiritual illumination in the future Miller Weisberger focuses on the fundamental knowledge and practices that guide the use of ayahuasca in indigenous cultures Weaving first person narrative with anthropological and ethnobotanical information Rainforest Medicine aims to preserve both the record and ongoing reality of ayahuasca s unique tradition and of course the priceless forest that gave birth to these sacred vines Featuring words from Amazonian shamans the living torchbearers of these sophisticated spiritual practices the book stands as testimony to this sacred plant medicine s power in shaping and healing individuals communities and nature alike

The Common Ground Shiv Talwar, 2019-10-01 People today have a fragmented view of the world seeing its diversity but not the

unity that underlies it This fragmentation writes Shiv D Talwar is at the root of ethnic conflict environmental degradation and other problems To address it he proposes a radical new form of education directed towards unity in diversity To get there he draws both on ancient spiritual wisdom including the Vedas and Upanishads from India the creation story in the biblical book of Genesis the ninety nine names of God in Islam Jewish mysticism and the writings of Lao Tzu and modern physical and biological science Religions are many but their wisdom is one and that wisdom converges with the findings of science as well Beyond natural science and social science there is also a spiritual science which Dr Talwar outlines in this book Through spiritual science humanity can develop its consciousness of infinite and infinitesimal ultimate reality A second volume will address spiritual technology the application of spiritual science to individual health and harmony
