A Criminal Injustice Richard Firstman,Jay Salpeter,2008-12-30 When he went to bed on the night of September 6 1988 seventeen year old Marty Tankleff was a typical kid in the upscale Long Island community of Belle Terre He was looking forward to starting his senior year at Earl L Vandermeulen High School the next day But instead Marty woke in the morning to find his parents brutally bludgeoned their throats slashed His mother Arlene was dead His father Seymour was barely alive and would die a month later With remarkable self possession Marty called 911 to summon help And when homicide detective James McCready arrived on the scene an hour later Marty told him he believed he knew who was responsible Jerry Steuerman his father s business partner Steuerman owed Seymour more than half a million dollars had recently threatened him and had been the last to leave a high stakes poker game at the Tankleffs home the night before However McCready inexplicably dismissed Steuerman as a suspect Instead he fastened on Marty as the prime suspect indeed his only one Before the day was out the police announced that Marty had confessed to the crimes But Marty insisted the confession was

fabricated by the police And a week later Steuerman faked his own death and fled to California under an alias Yet the police and prosecutors remained fixated on Marty and two years later he was convicted on murder charges and sentenced to fifty years in prison But Marty s unbelievable odyssey was just beginning With the support of his family he set out to prove his innocence and gain his freedom For ten years disappointment followed disappointment as appeals to state and federal courts were denied Still Marty never gave up He persuaded Jay Salpeter a retired NYPD detective turned private eye to look into his case At first it was just another job for Salpeter As he dug into the evidence though he began to see signs of gross ineptitude or worse Leads ignored Conflicts of interest swept under the rug A shocking betrayal of public trust by Suffolk County law enforcement that went well beyond a simple miscarriage of justice After Salpeter s discoveries brought national media attention to the case Marty s conviction was finally vacated in 2007 and New York s governor appointed a special prosecutor to reopen the twenty year old case At the same time the State Investigation Commission announced an inquiry into Suffolk County s handling of what has come to be widely viewed as one of America s most disturbing wrongful conviction cases As gripping as a Grisham novel A Criminal Injustice is the story of an innocent man s tenacious fight for freedom an investigator s dogged search for the truth It is a searing indictment of justice in America

Confessions of a Reluctant Optimist Amy Chamberlain, Amy Chamberlain has never been one for motivational slogans or rose tinted glasses She s the kind of woman who expects the worst only to be mildly surprised when life occasionally delivers something better But somewhere between failed diets disastrous first dates and the endless chaos of everyday life she s discovered that optimism doesn t always have to arrive in grand gestures Sometimes it s hidden in burnt toast that still tastes fine in friendships that outlast heartbreak or in simply making it through the day without crying in the supermarket car park With humour honesty and a touch of hard won wisdom *Confessions of a Reluctant Optimist* is a candid exploration of what it means to search for silver linings when you re more comfortable expecting thunderstorms For anyone who has ever rolled their eyes at positive vibes only but secretly hoped for a happy ending this is the book that says you don t have to be a natural optimist to find joy you just have to keep looking

Confessions of a Bipolar Firefighter James L. Nutt, 2012-03 Life never seemed so good Well at least that's how you'll feel after completing *Confessions of a Bipolar Firefighter* Strap in From the mountainous highs to the bottomless lows this adventurous autobiography travels through the mind and experiences of a tremendously controversial besieged introspective and tormented man named James L Nutt It begins through the eyes of a child who endures extreme physical sexual and emotional abuse and then transitions into his impoverished and naturally destructive teenager years accented by his proclivity for violence After a tumultuous young adulthood he grows into a working class firefighter who daringly climbs the ranks to chief Normalcy appears to be attained as James and his newfound family gain a strong relationship with God But the ebbs quickly return as James discovers his church pastor has embezzled thousands of dollars from offerings and his wife passes from skin cancer leaving him to raise four children on his own All the while he continues to wage battles against his own bipolar disorder along with the vices of alcohol drug abuse sex and violence Everything culminates to a fight with his own demons as a God fearing man with an agenda to avenge those who have betrayed him His mental illness exacerbates and his relationship with the Lord wavers as he struggles with completing his own vengeance versus allowing God to take the lead Whether you believe him to be crazy or sane right or wrong you will certainly remain on the edge of your seat as you take a ride with this truly original character who provides insight into his real life tale for the ages
