Murrett, 1953 *Biographical Dictionary of Christian Missions* Gerald H. Anderson, 1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index **BOOK JACKET The American Ecclesiastical Review** Herman Joseph Heuser, 1944 *The Little Black Book for Lent 2015* Ken Untener, Little Books, 2014-12-02 This Little Black Book is your companion for Lent 2015 It s an old fashioned vade mecum pronounced vahday maykum That s Latin for travel with me and was used to describe a book that was a constant companion perhaps a condensed book of prayers for traveling priests or a handbook for quick reference something you could take with you anywhere The right hand pages walk through Luke s passion narrative a few verses at a time with explanations and reflections along the way It s an ancient way of praying the Scriptures called lectio divina The left hand page has a variety of quotes information and timely thoughts Treat it like a buffet table from which you can take what you like If pressed for time go directly to the right hand page and spend your time there On Sundays and on various left hand pages we ll especially call to mind the poor this Lenten season remembering Pope Francis words that among our tasks as witnesses to the love of Christ is that of giving a voice to the cry of the poor We won t start reading the Gospels until Ash Wednesday But we ll start the six minute program on Sunday February 15 the Sunday before Ash Wednesday which will give us three days to get ready for Lent **Tar Heel Catholics** William F. Powers, 2003 Although today the largest religious denomination in the United States until the 1960s the Roman Catholic Church represented less than 1 percent of the population of North Carolina Tar Heel Catholics recounts the story of the Catholic Church in what was long called mission territory on the doorstep of a rapidly developing American Catholic institutional presence The explanation of this phenomenon lies in the history of the Deep South itself including slavery segregation and the overwhelming religious dominance of the Baptist church Tar Heel Catholics relates the great difficulty early churchmen encountered in attempting to establish Catholicism in an inhospitable environment It was not until 1924 that North Carolina became the last state in the union to gain the status of a diocese **Dictionary of North Carolina Biography** William S. Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina **New Catholic Encyclopedia** , 2003 **The National Union Catalog, 1952-1955 Imprints** , 1961 *The*

Encyclopedia of American Catholic History Michael Glazier, Thomas J. Shelley, 1997 The encyclopedia lists essential data on all Catholic colleges and universities and on all religious institutions of men and women but it was not feasible to have a separate entry on each Therefore a representative selection was made and articles were written on some of the larger and smaller colleges and universities and the same procedure was adopted with the religious orders and congregations Unfortunately space did not permit the inclusion of every important person or event in American Catholic history
