Stages of Reality André Loisel, Jeremy Maron, 2012-04-12 A groundbreaking collection of original essays *Stages of Reality* establishes a new paradigm for understanding the relationship between stage and screen media This comprehensive volume explores the significance of theatricality within critical discourse about cinema and television *Stages of Reality* connects the theory and practice of cinematic theatricality through conceptual analyses and close readings of films including *The Matrix* and *There Will be Blood* Contributors illuminate how this mode of address disrupts expectations surrounding cinematic form and content evaluating strategies such as ostentatious performances formal stagings fragmentary montages and methods of dialogue delivery and movement Detailing connections between cinematic artifice and topics such as politics gender and genre *Stages of Reality* allows readers to develop a clear sense of the multiple purposes and uses of theatricality in film

Extra-Ordinary Men Nicola Rehling, 2010-06-21 *Extra Ordinary Men* analyzes popular cinematic representations of white heterosexual masculinity as the ordinary form of male identity one that enjoys considerable economic social political and representational strength Nicola Rehling argues that while this normative position affords white heterosexual masculinity ideological and political dominance such ordinariness also engenders the anxiety that it is a depthless vacuous and unstable identity At a time when the neutrality of white heterosexual masculinity has been challenged by identity politics this insightful volume offers lucid accounts of contemporary theoretical debates on masculinity in popular cinema and explores the strategies deployed in popular films to reassert white heterosexual male hegemony through detailed readings of films as diverse as *Fight Club* *Boys Don't Cry* and *The Matrix* Accessible to undergraduates but also of interest to film scholars the book makes a distinctive contribution to our understanding of the ways in which popular film helps construct and maintain many unexamined assumptions about masculinity gender race and sexuality

New Wave, New Hollywood Gregory Frame, Nathan Abrams, 2021-09-23 As a period of film history The American New Wave ordinarily understood as beginning in 1967 and ending in 1980 remains a preoccupation for scholars and audiences alike In traditional accounts it is considered to be bookended by two periods of conservatism and viewed as a brief period of explosive creativity within the Hollywood system From *Bonnie and Clyde* to *Heaven's Gate* it produced films that continue to be watched discussed analysed and poured over It has however also become rigidly defined as a cinema of director auteurs who made a number of aesthetically and politically significant films This has led to marginalization and exclusion of many important artists and filmmakers as well as

a temporal rigidity about what and who is considered part of the New Wave proper This collection seeks to reinvigorate debate around this area of film history It also looks in part to demonstrate the legacy of aesthetic experimentation and political radicalism after 1980 as part of the legacy of the New Wave Thanks to important new work that questions received scholarly wisdom reveals previously marginalised filmmakers and the films they made considers new genres personnel and films under the banner of New Wave New Hollywood and reevaluates the traditional approaches and perspectives on the films that have enjoyed most critical attention New Wave New Hollywood Reassessment Recovery Legacy looks to begin a new discussion about Hollywood cinema after 1967

The song 'Stuck in the Middle With You' (Stealers Wheel) in Tarantino's 'Reservoir Dogs'. How the right song in the right scene makes a film iconic Engin Devekiran, 2016-04-08 Seminar paper from the year 2016 in the subject Musicology Miscellaneous grade First class honors Trinity College Dublin Department of Music course Film Music language English abstract Looking for the song Stuck in the middle with you written by Gerry Rafferty and Joe Egan performed by their group Stealers Wheel on YouTube 2016 displays the immense popularity of this song more than 40 years after it was published on the 1972 Stealers Wheel debut album The number of clicks is considerably impressive the most popular video on the website counts more than 44 million views since July 2010 The original music video shows the band with Joe Egan alternately performing in a big empty building and him being at a banquet table surrounded by odd guises unsuccessfully trying to get some food from the table Comparing the top comments to the video shown some incoherence becomes visible For instance user nosferotica writes Last time I listened to this song I cut someone's ear off YouTube 2016 Another user asks if anyone could listen to the song without thinking of torture anymore YouTube 2016 Without knowing the linkage of the song to one of the most iconic scenes in later film history these comments make no sense at all Moreover we must agree with Quentin Tarantino who said that certain pop songs have been used so successfully in certain movies that in a sense the movie blots out all other associations and owns the song In the case of Stuck in the middle with you and the infamous torture scene in Tarantino's debut film Reservoir Dogs 1992 this statement does fully apply as the song originally is about an annoying record biz dinner that Egan and Rafferty had to attend Tarantino's debut became cult over the years considered to have notably inspired further independent cinema The quintessence of Tarantino's idea of film making is already identifiable in his rough debut cool characters and violence combined with deadpan humour plus a fantastic soundtrack
