Alleyne,2004 This pioneering work is multi disciplinary in approach as it examines the rich folk medicine of Jamaica Payne Jackson and Alleyne analyse the historical and linguistic aspects of folk medicine based on their research which included extensive fieldwork and interviews They explore the sociological and ethnological dimensions of common healing and health preserving practices which rely on Jamaica s rich biodiversity in medicinal and nutritional flora As is the case with other aspects of Jamaican traditional culture Jamaican folk medicine is largely misunderstood and subject to negative pejorative attitudes This comprehensively study challenges some of the myths and misinformation Particular attention is paid to cultural transference from Africa and the use of herbs in African Jamaican religions The work has an appendix and a glossary as well as a detailed bibliography *The Triumph of Faith* Rodney Stark,2023-08-22 God is not dead Wall Street Journal Believe it or not the world is more religious than ever before Everyone seems to take it for granted that the world is getting more secular that faith is doomed by modernity Scientists secularists and atheists applaud the change religious believers lament it But here s the thing they re all wrong and the bestselling author and influential scholar of religion Rodney Stark has the numbers to prove it The Triumph of Faith explodes the myth that people around the world are abandoning religion Stark

marshals an unprecedented body of data surveys of more than a million people in 163 nations to paint the full picture that both scholars and popular commentators have missed And he explains why the astonishing growth of religion is happening and what it means for our future Stark s bracing book is full of insights that defy the conventional wisdom With vigorous prose he reveals Why claims about Millennials lack of religion are overblown and historically ignorant Why Islam is NOT overtaking Christianity How 4 out of 5 people worldwide now belong to an organized religion How 50 percent have attended a worship service in the past week Why much ballyhooed studies from the Pew Research Center and others get the religious landscape wrong Why atheists remain few anywhere despite all the talk of the New Atheism As Stark shows secularists have been predicting the imminent demise of religion for centuries It is their unshakable faith in secularization that may be the most irrational of all beliefs As the author of How the West Won The Victory of Reason and many other bestselling works Rodney Stark has a richly deserved reputation for writing page turning myth busting books He is also a groundbreaking scholar who has so reshaped the social scientific study of religion that his work has become the basis of a new paradigm Stark puts all those talents on full display in The Triumph of Faith This book will change how you see both religion and the forces of secularization
