The Tassajara Bread Book Edward Espe Brown, 2009 A collection of bread and baked goods recipes from the Zen Mountain Center in Tassajara California

White Bread Aaron Bobrow-Strain, 2012-03-06 The story of how white bread became white trash this social history shows how our relationship with the love it or hate it food staple reflects our country's changing values In the early twentieth century the factory baked loaf heralded a bright new future a world away from the hot dusty dirty bakeries run by immigrants Fortified with vitamins this bread was considered the original superfood and even marketed as patriotic while food reformers painted white bread as a symbol of all that was wrong with America So how did this icon of American progress become white trash In this lively history of bakers dietary crusaders and social reformers Aaron Bobrow Strain shows us that what we think about the humble puffy loaf says a lot about who we are and what we want our society to look like It teaches us that when Americans debate what one should eat they are also wrestling with larger questions of race class immigration and gender As Bobrow Strain traces the story of bread from the first factory loaf to the latest gourmet pain au levain he shows how efforts to champion good food reflect dreams of a better society even as they reinforce stark social hierarchies The history of America's love hate relationship with white bread reveals a lot about contemporary efforts to change the way we eat Today the alternative food movement favors foods deemed ethical and environmentally friendly and fluffy industrial loaves are about as far from slow local and organic as you can get Still the early twentieth century belief that getting people to eat a certain food could restore the nation's decaying physical moral and social fabric will sound surprisingly familiar Given that open disdain for unhealthy eaters and discrimination on the basis of eating habits grow increasingly acceptable *White Bread* is a timely and important examination of what we talk about when we talk about food
