Taste Of Honey A Greek Island Odyssey:

The Taste of Honey Byron Ayanoglu, 2005 For years Byron Ayanoglu has been dreaming of the Mediterranean island of Crete imagining days filled with leisurely walks around ancient ruins sunset swims in sparkling waters and long lunches on a terrace shaded by wisteria and honeysuckle But when he gets there nothing is quite as he imagined Taste and the Ancient Senses Kelli C. Rudolph, 2017-07-31 Olives bread meat and wine it is deceptively easy to evoke ancient Greece and Rome through a few items of food and drink But how were their tastes different from ours How did they understand the sense of taste itself in relation to their own bodies and to other modes of sensory experience This volume the first of its kind to explore the ancient sense of taste draws on the literature philosophy history and archaeology of Greco Roman antiquity to provide answers to these central questions By surveying and probing the literary and material remains from the Archaic period to late antiquity contributors investigate the cultural and intellectual development towards attitudes and theories about taste These specially commissioned chapters also open a window onto ancient thinking about perception and the body Importantly these authors go beyond exploring the functional significance of taste to uncover its value and meaning in the actions thoughts and words of the Greeks and Romans Taste and the Ancient Senses presents a full range of interpretative approaches to the gustatory sense and provides an indispensable resource for students and scholars of classical antiquity and sensory studies **Jàpá: An Odyssey** Kemi Chapman, 2025-04-11 In *J p An Odyssey* Kemi Chapman weaves a sweeping vivid tapestry of stories about Nigerians who choose to flee or are forced to flee their homeland in search of opportunity safety or something more intangible freedom Told through a collection of gripping and emotionally charged chapters this book explores the many faces of the *j p* movement From Lagos to Bradford from the Mediterranean Sea to the deserts of Agadez from ICE detention in the U S to golden visas in Europe these characters confront racism gender based violence ambition heartbreak and survival With each chapter inspired by the voices and literary styles of great African writers Chinua Achebe Wole Soyinka Flora Nwapa Buchi Emecheta Biyi Bandele and more *J p An Odyssey* is not just about escaping Nigeria It is about what it costs to leave what is lost in the process and what it truly means to start over Rooted in Nigerian culture rich with language humor proverbs and grit this book is a tribute to the resilience of the human spirit and to the lives that continue to search for dignity across borders The Fire Island Cookbook Jeff Jenssen, Mike DeSimone, 2012-04-17 Elegant summer meals for any day of the year In *The Fire Island Cookbook* food wine and travel writers Mike DeSimone and Jeff Jenssen have put together a mouthwatering collection of meals using seasonal produce one for each weekend from Memorial Day through Labor Day Each of the fourteen menus is influenced by the authors travels in Italy France Spain Greece Mexico and Hungary and includes course by course wine pairings Every chapter features recipes for a full menu from appetizer to dessert with wines to match While some dishes are designed to be prepped in the morning ignored all day while the cooks are at the beach and then grilled and arranged as guests arrive others are a little more elaborate perfect for the weekend
