Taste From Back Home:

Back Home Eugene Wood, 2019-12-09 In *Back Home* Eugene Wood crafts a poignant narrative that eloquently explores themes of memory identity and the concept of home in the post war era The novel set against the backdrop of the mid 20th century utilizes a reflective and lyrical prose style weaving together vignettes of personal and communal experiences Through the lens of its multifaceted characters Wood delves into the psychological landscapes shaped by their return to familiar places replete with nostalgia and the haunting specter of change This work resonates with the broader literary context of the time paralleling other modernist endeavors that interrogate the nuances of belonging and displacement in an increasingly fragmented world Eugene Wood s own life experiences significantly inform his writing Born into a family that experienced the upheaval of war Wood s interactions with various cultures and his profound understanding of loss and resilience are mirrored in the lives of his characters His academic background in sociology further amplifies his insight into the nuances of human connections enabling him to construct a rich tapestry of narratives that reflect both individual and collective struggles *Back Home* is a compelling read for anyone interested in the exploration of home as both a physical and emotional landscape Wood s intricate storytelling and keen observational skills invite readers to reflect upon their own relationships with place and identity making this novel not just a journey through space but an introspective voyage through the soul

Malone Harris has wanted to leave The Shelter from the Storm Church in Christ for a long time but even more so after she and her best friend Alanna had a falling out regarding Alannas affair with their pastor As her love for the place begins to diminish she changes her point of view by sitting in the back pew where she does more people watching than lesson learning In silent observation she discovers there is more going on than praise and worship amongst the congregation of the Houston area mega church The young and trendy congregation flock into the sanctuary to see and be seen but its what the members arent seeing that is putting their very souls in jeopardy Alanna Crawford makes a hasty retreat from The Shelter after it becomes painfully obvious she cant count on Pastor Wilson McKinney to leave his wife and make her his First Lady like hed been promising he would for years In search of a new church a new man and hopefully the new title of First Lady she sets her sights on the handsome new pastor of a newly emerging church in town Her feminine wiles are no match for the nave preacher and soon shell be well on her way to getting everything she wants but will the freaky skeletons in her closet cause her to lose it all For Malone and Alanna what started as a journey for peace and a spiritual relationship with God ended as a journey through a sinners paradise when they find out they were surrounded by schemers liars and hypocrites and that they

were being led by the biggest Charlatan of them all Will they ever find whatever it was they were looking for that fateful day years ago when they joined hands and joined ranks with the worldly masses at The Shelter from the Storm Church in Christ
