The Fifth Discipline Art And Practice Of The Learning Organization:

The Fifth Discipline Peter M. Senge, 2006 Peter Senge founder and director of the Society for Organisational Learning and senior lecturer at MIT has found the means of creating a learning organisation In The Fifth Discipline he draws the blueprints for an organisation where people ex **The Fifth Discipline** Peter M. Senge, 2010-03-31 MORE THAN ONE MILLION COPIES IN PRINT One of the seminal management books of the past seventy five years Harvard Business Review This revised edition of the bestselling classic is based on fifteen years of experience in putting Peter Senge s ideas into practice As Senge makes clear in the long run the only sustainable competitive advantage is your organization s ability to learn faster than the competition The leadership stories demonstrate the many ways that the core ideas of the Fifth Discipline many of which seemed radical when first published have become deeply integrated into people s ways of seeing the world and their managerial practices Senge describes how companies can rid themselves of the learning blocks that threaten their productivity and success by adopting the strategies of learning organizations in which new and expansive patterns of thinking are nurtured collective aspiration is set free and people are continually learning how to create the results they truly desire Mastering the disciplines Senge outlines in the book will Reignite the spark of genuine learning driven by people focused on what truly matters to them Bridge teamwork into macrocreativity Free you of confining assumptions and mindsets Teach you to see the forest and the trees End the struggle between work and personal time This updated edition contains more than one hundred pages of new material based on interviews with dozens of practitioners at companies such as BP Unilever Intel Ford HP and Saudi Aramco and organizations such as Roca Oxfam and The World Bank

The Fifth Discipline Peter M. Senge, 1990 Finally in paperback Senge s national bestseller The Fifth Discipline which has turned the principles of the learning organization into a movement of snowballing size and strength The ability to respond to change is the crucial issue of the 90s but management tools such as reengineering and total quality simply treat the symptoms Adopted by Ford AT T and others here is a cure for the disease Senge calls learning disabilities **The Fifth Discipline Fieldbook** Peter Senge, Art Kleiner, 2011-03-04 This pragmatic guide shows how to create an organization of learners The stories in this book show that businesses schools agencies and even communities can undo their learning disabilities and achieve superior performance **The Fifth Discipline** , 2008 *The Fifth Discipline* , 2018 Completely Updated and Revised This revised edition of Peter Senge s bestselling classic The Fifth Discipline is based on fifteen years of experience in putting the book s ideas into practice As Senge makes clear in the long run the only sustainable competitive advantage is your organization s ability to learn faster than the competition The leadership stories in the book demonstrate the many ways that the core ideas in The Fifth Discipline many of which seemed radical when first published in 1990 have become deeply integrated into people s ways of seeing the world and their managerial practices In The Fifth Discipline Senge describes how companies can rid themselves of the learning disabilities that threaten their productivity and success by

adopting the strategies of learning organizations ones in which new and expansive patterns of thinking are nurtured collective aspiration is set free and people are continually learning how to create results they truly desire The updated and revised Currency edition of this business classic contains over one hundred pages of new material based on interviews with dozens of practitioners at companies like BP Unilever Intel Ford HP Saudi Aramco and organizations like Roca Oxfam and The World Bank It features a new Foreword about the success Peter Senge has achieved with learning organizations since the book s inception as well as new chapters on Impetus getting started Strategies Leaders New Work Systems Citizens and Frontiers for the Future Mastering the disciplines Senge outlines in the book will Reignite the spark of genuine learning driven by people focused on what truly matters to them Bridge teamwork into macro creativity Free you of confining assumptions and mindsets Teach you to see the forest and the trees End the struggle between work and personal time

The Fifth Discipline Peter M. Senge,1992-01-01 An MIT Professor s pathbreaking book on building learning organizations Corporations that overcome inherent obstacles to learning and develop dynamic ways to pinpoint the threats that face them and to recognize new opportunities Not only is the learning organization a new source of competitive advantage it also offers a marvelously empowering approach to work one which promises that as Archimedes put it with a lever long enough single handed I can move the world
