The Fire We Can Light The Role Of Religion In A Suddenly Different World:

The Fire We Can Light Martin E. Marty, 1973 *Contending for the Faith* Daniel Richard Barnett, 2002 Examines how a southern evangelical denomination was able to become the second largest religious body in a region characterized by cultural racial and religious pluralism and the effect this had on their structure and beliefs [Righting the American Dream](#) Diane Winston, 2023-07-28 A provocative new history of how the news media facilitated the Reagan Revolution and the rise of the religious Right After two years in the White House an aging and increasingly unpopular Ronald Reagan looked like a one term president but in 1983 something changed Reagan spoke of his embattled agenda as a spiritual rather than a political project and cast his vision for limited government and market economics as the natural outworking of religious conviction The news media broadcast this message with enthusiasm and white evangelicals rallied to the president's cause With their support Reagan won reelection and continued to dismantle the welfare state unraveling a political consensus that stood for half a century In *Righting the American Dream* Diane Winston reveals how support for Reagan emerged from a new religious vision of American identity circulating in the popular press Through four key events the evil empire speech AIDS outbreak invasion of Grenada and rise in American poverty rates Winston shows that many journalists uncritically adopted Reagan's religious rhetoric and ultimately mainstreamed otherwise unpopular evangelical ideas about individual responsibility The result is a provocative new account of how Reagan together with the press turned America to the right and initiated a social revolution that continues today **Clergy Malpractice in America** Mark A. Weitz, 2001 Examines the nation's first widely publicized case involving the concept of clergy malpractice and the questions it raised regarding separation of church and state free exercise of religion and state regulation of non professional counseling **Religion and Republic** Martin E. Marty, 1989-05-31 America's preeminent religious historian reflects on the critical role of religious diversity in our national self understanding **A Socio-theology of Letting Go** Marie Augusta Neal, 1977 [The New York Times Book Review](#), 1974 *The Reader's Adviser*, 1977 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975 [Friends Journal](#), 1975
