

The First Crusade

Christopher Tyerman

The First Crusade:

The First Crusade Thomas Asbridge, 2012-01-26 A nuanced and sophisticated analysis Exhilarating Sunday Telegraph
Nine hundred years ago one of the most controversial episodes in Christian history was initiated The Pope stated that in spite of the apparently pacifist message of the New Testament God actually wanted European knights to wage a fierce and bloody war against Islam and recapture Jerusalem Thus was the First Crusade born Focusing on the characters that drove this extraordinary campaign this fascinating period of history is recreated through awe inspiring and often barbaric tales of bold adventure while at the same time providing significant insights into early medieval society morality and mentality The First Crusade marked a watershed in relations between Islam and the West a conflict that set these two world religions on a course towards deep seated animosity and enduring enmity The chilling reverberations of this earth shattering clash still echo in the world today Asbridge balances persuasive analysis with a flair for conveying with dramatic power the crusaders plight Financial Times

The First Crusade Steven Runciman, 1992-01-31 When Pope Urban II rose to his feet to address the multitudes gathered before him at the Council of Clermont in 1095 his appeal was simple let Western Christendom march to the aid of their brethren in the East Whether the Crusades are regarded as the most tremendous and romantic of Christian expeditions or the last of the barbarian invasions they remain one of the most exciting and colorful adventure stories in history Steven Runciman's History of the Crusades is justly acclaimed as the most complete and fascinating account of the historic journey to save the Holy Land from the infidel

People of the First Crusade Michael Foss, 2011-11-01 Near the end of the eleventh century Western Europe was in turmoil beset by invasions from both north and south by the breakdown of law and order and by the laxity and ignorance of the clergy Searching for a way out of the increasing anarchy Pope Urban II launched an army of knights and peasants in 1095 to fight the Turks who had seized the Holy Land Michael Foss tells the stories of these men and women of the First Crusade often in their own words bringing the time and events brilliantly to life Through these eyewitness accounts the clichés of history vanish the distinctions between hero and villain blur the Saracen is as base or noble as brave or cruel as the crusader In that sense the fateful clash between Christianity and Islam teaches us a lesson for our own time Foss reveals that the attitudes and prejudices expressed by both Christians and Muslims in the First Crusade became the basic currency for all later exchanges down to our present day conflicts and misunderstandings between the two great monotheistic faiths of Mohammed and Jesus Christ

The First Crusade and Idea of Crusading Jonathan Simon Christopher Riley-Smith, Jonathan Riley-Smith, 2003-04-01 Riley Smith marshals his case lucidly Times Literary Supplement Riley Smith's analysis of the formation of Crusading ideology offers a provocative new interpretation His scholarship is impeccable and he supports his contentions with

The First Crusade Edward Peters, 2011-06-03 The First Crusade received its name and shape late To its contemporaries the event was a journey and the men who took part in it pilgrims Only later were those participants dubbed Crusaders those signed with the Cross In fact many developments with

regard to the First Crusade like the bestowing of the cross and the elaboration of Crusaders privileges did not occur until the late twelfth century almost one hundred years after the event itself In a greatly expanded second edition Edward Peters brings together the primary texts that document eleventh century reform ecclesiology the appearance of new social groups and their attitudes the institutional and literary evidence dealing with Holy War and pilgrimage and most important the firsthand experiences by men who participated in the events of 1095 1099 Peters supplements his previous work by including a considerable number of texts not available at the time of the original publication The new material which constitutes nearly one third of the book consists chiefly of materials from non Christian sources especially translations of documents written in Hebrew and Arabic In addition Peters has extensively revised and expanded the Introduction to address the most important issues of recent scholarship

The Social Structure of the First Crusade Conor Kostick,2008-05-31 The First Crusade 1096 1099 was an extraordinary undertaking Because the repercussions of that expedition have rippled on down the centuries there has been an enormous literature on the subject Yet unlike so many other areas of medieval history until now the First Crusade has failed to attract the attention of historians interested in social dynamics This book is the first to examine the sociology of the sources in order to provide a detailed analysis of the various social classes which participated in the expedition and the tensions between them In doing so it offers a fresh approach to the many debates surrounding the subject of the First Crusade

Chronicles of the First Crusade Christopher Tyerman,2011-11-03 The story of the First Crusade as witnessed by contemporary writers O day so ardently desired O time of times the most memorable O deed before all other deeds The fall of Jerusalem in the summer of 1099 to an exhausted and starving army of western European soldiers was one of the most extraordinary events of the Middle Ages It was both the climax of a great wave of visionary Christian fervour and the beginning of what proved to be a futile and abortive attempt to implant a new European kingdom of heaven in an overwhelmingly Muslim world This remarkable collection brings together a wide variety of contemporary accounts of the First Crusade including Pope Urban II s initial call to arms of 1095 as well as the first hand writings of priests knights a Jewish pilgrim a destitute noblewoman an Iraqi poet and the historian Anna Comnena Together they provide a vivid and nuanced picture of the First Crusade and the people who were swept up in it Edited with an introduction and notes by Christopher Tyerman

the first crusade Jonathan P. Phillips,19?? **The First Crusade** August Charles Krey,1921

The First Crusade Jay Carter Rubenstein,2019-08-05 Focusing on the ways in which the First Crusade changed the direction of warfare religion and perhaps history itself First Crusade helps you gain a deeper understanding of the crusading ethos by exploring this time in history through the theme of prophecy
