The First Step A Guide For The New Jewish Spirit:

The First Step Zalman Schachter-Shalomi, Donald Gropman, 1983 **Maimonides—Essential Teachings on Jewish Faith & Ethics**, 2012-01-24 The teachings of Judaism's greatest medieval philosopher can be a companion on your own spiritual journey No Jewish thinker has had a more significant impact on Jewish religious thought than Moses Maimonides 1138-1204 A medieval philosopher whose vision covered an extensive range he created a method of mediating between revelation and reason that laid the groundwork for a rational philosophically sophisticated Judaism He also provided an approach to biblical interpretation and philosophy that remains relevant for people of all faiths who follow a religion based on sacred text and oral interpretation In this accessible examination of Maimonides's theological and philosophical teachings Rabbi Marc D Angel opens up for us Maimonides's views on the nature of God providence prophecy free will human nature repentance and more He explores basic concepts of faith that Maimonides posits must serve as the basis for proper religious life He also examines Maimonides's insights on reward and punishment messianic days the world to come and other tenets of Jewish faith Now you can experience the wisdom of Maimonides even if you have no previous knowledge of Judaism or Jewish philosophy SkyLight Illuminations provides insightful yet unobtrusive commentary that reveals why Maimonides's teachings continue to have profound relevance to those seeking an intellectually vibrant understanding of Judaism **God of**

Becoming and Relationship Rabbi Bradley Shavit Artson, DHL, 2013 You no longer have to choose between what you know and what you believe an accessible introduction to a theological game changer I wrote this book for you if you want to be able to locate your life in a single encompassing story one that includes everything from the first moment the universe began until yesterday a narrative that embraces deepest personal meaning a yearning to love and be loved a quest for social justice and compassion from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect between science and religion between morality and dogma unchanging laws of nature vs miracles that sound magical a good God vs the tragedies that strike all living creatures a God who knows the future absolutely vs an open future that you help to shape through your choices This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices Inspiring speaker spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life He explains how Process Theology can break you free from the strictures of ancient Greek and medieval European philosophy allowing you to see all creation not as this or that us or them but as related patterns of energy through which we connect to everything Armed with Process insights and tools you can break free from outdated religious dichotomies and affirm that your religiosity your spirit your mind and your ethics all strengthen and refine each other **Passing Life's Tests** Bradley Shavit Artson, 2013 Among stories so terrible they rend our hearts so profound they touch the depths of our souls and so exalted they reach to heaven none is more poignant than the Bible story of Abraham's sacrifice of his son Isaac A story

revered by Jews Christians and Muslims and turned over and over by great secular thinkers searching for meaning this gripping tale shocks us into complete attention then takes us in nineteen short verses on a roller coaster ride of emotion challenge and hope *Hineini in Our Lives* Dr. Norman J. Cohen,2011-10-06 One simple powerful word hineini contains the key to deepening your relationship with God and with others Hineini Here I am This single spoken word appears only fourteen times in the Bible each time in a memorable and meaningful story Abraham offering Isaac as a sacrifice to God Jacob deceiving his father for Esau s birthright Moses answering the call that comes from the Burning Bush Scholar and popular teacher Norman Cohen explores each of these powerful stories and shows what each can reveal about you as parent spouse sibling lover and friend By probing these dynamic biblical relationships Cohen challenges you to think about the ways you relate to the people in your life and God And to add other fascinating perspectives to the conversation eleven insightful authors and teachers share personal reflections that exemplify each of the hineini passages *Renewing the Process of Creation* Bradley Shavit Artson,2015-09-21 In this daring blend of Jewish theology science and Process Thought theologian Rabbi Bradley Shavit Artson explores our actions through Judaism and the sciences as dynamically interactive and mutually informative **A Partner in Holiness** Rabbi Jonathan P. Slater, DMin,2014-07-17 Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality The soul yearns to feel connected to something greater and to know happiness despite personal suffering and seemingly endless need Surprisingly the perspectives of the late eighteenth and nineteenth century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today s spiritual seekers whose faith has been shattered by both modernity and the Holocaust These masters taught of interdependence interconnectedness selflessness service and joy anticipating the insights of contemporary science and twenty first century spirituality Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev 1740 1809 and the practice of mindfulness meditation Rabbi Jonathan P Slater reveals a new entrance into Jewish spiritual life Covering the Five Books of Moses these two volumes present accessible translations of selections from Kedushat Levi R Levi Yitzhak s Hasidic Torah commentary which emphasizes our spiritual capacity to transform consciousness and so our life experience The selections are paired with Rabbi Slater s commentaries to illuminate their message The lessons in Kedushat Levi were not originally intended as intellectual curiosities or as demonstrations of R Levi Yitzhak s brilliance They were meant to inspire religious passion and deeper spiritual practice I believe that these teachings will come to life in us when we bring them into our lives in practice from the Introduction
