The Family Financial Workbook A Practical Guide To Budgeting:

Family Financial Workbook Larry Burkett, 2002-04 This course is designed to equip you to effectively meet the needs of those who want guidance from God's Word and practical assistance on how to manage their God-given resources **The Budget Kit** Judy Lawrence, 2003-04 **How to Get Out Of Debt... And Into Praise** James T. Meeks, 2001-07-01 Money is a spiritual issue. The failure to handle it properly can impede the vitality of our relationship with Christ and others. Reverend James Meeks offers this practical manual to help believers obtain freedom from debt so they can properly love and serve others in need. He exhorts people to get out of debt and encourages them that it's possible. He gives readers a definitive method to get out and stay out of debt. Readers will be encouraged that it's possible and inspired to achieve it. What I Wish I'd Known Before I Got Married Kay Coles James, 2009-01-21 Building a marriage is a lifelong endeavor for both men and women. Most marriage books cover the three C's: communication, compromise, and consideration, but fail to address many issues critical to a healthy relationship. Family advocate Kay James calls these the things I wish I had known before I got married: advice on finances, sex, children, and dealing with the extended family. Noting that the apostle Paul exhorted older women not to inspire or counsel younger women but to teach them how to be wives to their husbands, Kay offers a lifetime's wealth of wisdom for creating an unbreakable marriage relationship. The 10 Building Blocks for a Happy Family Jim Burns, 2003-10-03 You Don't Have to Be a Perfect Parent. Do you ever worry that you're just not getting the parenting thing right? This truthful and enlightening book from one Christian parent to another is filled with encouragement and time-tested techniques for anyone who wants to ensure the health and happiness of their own family. Jim Burns will be the first to tell you that no family is perfect, including his own. The 10 Building Blocks for a Happy Family emphasizes the heartening news that most parents do a good job of parenting but just don't know it. Here you'll find many personal stories from interviews with parents and experts on family relationships covering almost every aspect of parenting. TRIM SIZE 5.5 X 8.5 Adventist Review, 2003 How to Be a Happy, Healthy Family Jim Burns, 2001 Ten principles of families that succeed **Business and Industry** Priscilla Y. Huff, 2003-08 A reference set containing 375 articles presented in alphabetical order on topics related to business and industry over the past two centuries. Biblical Counsel, 1993 **Fasting for Financial Breakthrough** Elmer L. Towns, 2002-07-08 Shed a spiritual light on some of the biggest problems facing people today: the need to put the role of money in a proper perspective and to solve financial problems. Elmer Towns states at the outset that this is not the primary purpose of fasting and prayer. Instead, it is all about knowing God. It is not about withdrawing prayer on an as-needed basis from some spiritual ATM kiosk. It is about meditation, studying the Scriptures, and communing with God. When we fast and pray in faith, asking for God's help and provision, He begins to teach us how to become good stewards of what He has provided. Chapter topics include Fasting to Learn Stewardship, Why We Have Money Problems, and A Faith Approach to Fasting for Money. Once we understand why we struggle with money problems, we can do something about it.
