Gideon - The Final Chapter Sidney St. James, 1900 Gideon The Final Chapter Case of the Ace of Spades Volume 2 Book 8 in the Gideon Detective Series By the time the world s greatest detective figures out whodunnit his own son could die in the electric chair in this murder and mystery suspense novel There was only one case out of hundreds of cold cases that Vincent James Gideon never wholly solved Rosenthall Read about it in Book 1 of the Gideon Detective Series If that should happen in Volume 2 of the Case of the Ace of Spades his son could walk down that lonely

hallway to the electric chair Watching her take a sip it took the assassin every urge not to swat the glass away but he knew it was the only way to save his life He stared at the beautiful woman and wondered how long it would take to go into effect He questioned how much time it would be before she became dizzy and forgot where she was Everything seemed to switch into slow motion For a moment the killer doubted himself and wondered if in fact he poisoned the wrong glass Guilt began to creep into his gut It took all his strength to withhold the tears that started to glisten in his eyes Why She began to cough and cough The wine glass fell to the side and her body collapsed to the floor The assassin wasted no time With an ivory handled dagger he stuck the Ace of Spades across the point of the blade and pierced her in the chest From the many trunks in the hallway packed for a long journey he placed her body inside the largest one available Then the killer called on an accomplice to carry the trunk to an unknown destination But the blundering detectives with the Black Rock Cove Police Department who were assigned to the case got all the facts twisted The wrong man was accused He was known as Billy Bob Tanner Gideon's son By the time the victim was found her flesh was as cold as the wintry night Her ivory skin was splattered with blood Gideon dug into his pocket for a lemon drop only to find the plastic bag empty His face fell a little not a good omen for such a critical case Then suddenly his fingers grasped onto one which had fallen from the bag He pulled it out and held it up thinking to himself that his luck had changed He popped it in his mouth and went back to thinking over the evidence before him Vincent James Gideon the famed detective who went into retirement eight years earlier tried to avoid the case when the Black Rock Cove Police Department requested his services He recommended his sidekick of many years Bridget Flynn take over One thing after another happened to where he could not avoid coming out of retirement Then he was blamed for the murder of not only the woman found in the trunk but also a reputable pharmacist
