Slow Burn Pamela Britton, 2012-11-15 And the winner is Dana Johnson What Turns out Dana s friend secretly entered her in the contest to win a dinner date with NASCAR driver Braden James Burned by her former fianc Dana isn t exactly eager to be swept off her feet by someone who ll disappear after dessert She tells Braden he s off the hook but he says they re on His sponsor a matchmaking Web site is counting on him And he s counting on her to swoon on cue for the cameras Not too difficult Braden is much more than just a gorgeous hotshot A foster care kid who s seen his share of hard knocks he s driven head on through heartache and triumph But when the last flashbulb pops will their slow burn ignite into a very real romance

Slow Burn Slow Gerard, Cindy Gerard, 1992 Jo Taylor knows Adam Dursky is trouble He has the same deep need for love she feels within herself the need she refuses to accept But when they are marooned on an island nothing can stop their passion from flaring completely out of control

Slow Burn Anne Marsh, 2013 Smoke jumper Evan Donovan works a suspicious brushfire during which he meets photographer Faye Duncan who may have unwittingly taken a picture of an arsonist setting the blaze

Slow Burn R. Jisung Park, 2025-07-29 How the subtle but significant consequences of a hotter planet have already begun from lower test scores to higher crime rates and how we might tackle them today It s hard not to feel anxious about the problem of climate change especially if we think of it as an impending planetary catastrophe In *Slow Burn* R Jisung Park encourages us to view climate change through a different lens one that focuses less on the possibility of mass climate extinction in a theoretical future and more on the everyday implications of climate change here and now Drawing on a wealth of new data and cutting edge economics Park shows how climate change headlines often miss some of the most important costs When wildfires blaze what happens to people downwind of the smoke When natural disasters destroy buildings and bridges what happens to educational outcomes Park explains how climate change operates as the silent accumulation of a thousand tiny conflagrations imperceptibly elevated health risks spread across billions of people pennies off the dollar of productivity fewer opportunities for upward mobility By investigating how the physical phenomenon of climate change interacts with social and economic institutions Park illustrates how climate change already affects everyone and may act as an amplifier of inequality Wealthier households and corporations may adapt quickly but without targeted interventions less advantaged communities may not Viewing climate change as a slow and unequal burn comes with an important silver lining It puts dollars and cents behind the case for aggressive emissions cuts and helps identify concrete steps that can be taken to better manage its adverse effects We can begin to overcome our climate anxiety Park shows us when we begin to tackle these problems locally

Slow Burn Cynthia Eden, 2022-03-25 Sink your teeth into this steamy vampire romance The king of the vampires is in hell and he will do anything to get his freedom Ryder Duncan has been a prisoner at the Genesis facility for far too long Trapped starved tortured he is ready to do anything necessary in order to escape If Genesis wants a monster he will show his captors just how deadly he can be Then an angel is tossed into his cage A

beautiful angel who burns hell hot and wrecks his world With one taste of Sabine Acadia s blood Ryder is hooked Her taste is like no other and the flood of power he gets from her is a supernatural rush He knows what she is even before he is forced to watch the flames consume her Beautiful magical more than a myth Sabine is a phoenix and when she rises he vows that she will be his Thrown together in an alliance born of blood and passion they have to trust each other Escape is their goal Freedom their dream Ryder vows to make their captors pay in blood even as he plans to keep Sabine at his side He s roamed this earth for centuries and he s always searched for his perfect mate He just never expected his desire for her to burn so hot But that s the thing about fire even a slow burn will eventually consume you Author s Note The phoenix shifters are back and hotter than ever SLOW BURN was originally released by Kensington Publishing back in 2014 the original title was ONCE BITTEN TWICE BURNED and I am so thrilled to have the chance to bring this story back to readers If you love fierce possessive and ever so dangerous heroes then you do not want to miss the king of all vampires Because Ryder will truly walk through fire in order to claim the woman who is destined to be his

Slow Burn City Rowan Moore,2016-03-10 With a new introduction for the paperback London is a supreme achievement of civilization It offers fulfilments of body and soul encourages discovery and invention It is a place of freedom multiplicity and co existence It is a Liberal city which means it stands for values now in peril London has also become its own worst enemy testing to destruction the idea that the free market alone can build a city a fantastical wealth machine that denies too many of its citizens a decent home or living In this thought provoking fearless funny and subversive book Rowan Moore shows how London s strength depends on the creative and mutual interplay of three forces people business and state To find responses to the challenges of the twenty first century London must rediscover its genius for popular action and bold public intervention The global city above all others London is the best place to understand the way the world s cities are changing It could also be in the shape of a living churning city of more than eight million people the most powerful counter argument to the extremist politics of the present Robert B. Parker's Slow Burn Ace Atkins,2017-05-02 Boston PI Spenser faces a hot case and a personal crisis in this adventure in Robert B Parker s iconic New York Times bestselling series The fire at a boarded up Catholic church raged hot and fast lighting up Boston s South End and killing three firefighters who were trapped in the inferno A year later as the city prepares to honor their sacrifice there are still no answers about how the deadly fire started Most at the department believe it was just a simple accident faulty wiring in a century old building But Boston firefighter Jack McGee who lost his best friend in the blaze suspects arson McGee is convinced department investigators aren t sufficiently connected to the city s lowlifes to get a handle on who s behind the blaze so he takes the case to Spenser Spenser quickly learns not only that McGee might be right but that the fire might be linked to a rash of new arsons spreading through the city burning faster and hotter every night Spenser follows the trail of fires to Boston s underworld bringing him his trusted ally Hawk and his apprentice Sixkill toe to toe with a dangerous new enemy who wants Spenser dead and doesn t play by the city s old rules Spenser has to find the
