

The image features three overlapping signs on a wooden-textured background. The top sign is teal and points left, containing the word 'SMACK' in white, bold, sans-serif capital letters. The middle sign is light blue and points right, containing the word 'DAB' in white, bold, sans-serif capital letters. The bottom sign is teal and points right, containing the words 'IN THE MIDDLE OF' in white, bold, sans-serif capital letters. The signs have thick purple outlines and drop shadows. The background is a warm orange-brown wood grain with scattered white starburst effects. A small, stylized snowflake or starburst graphic is located on the right side of the middle sign.

most dedicated cultural critics This book is Marcus's quest to understand Van Morrison's particular genius through the extraordinary and unclassifiable moments in his long career beginning in 1965 and continuing in full force to this day In these dislocations Marcus finds the singer on his own artistic quest precisely to reach some extreme musical threshold the moments that are not enclosed by the will or the intention of the performer but which somehow emerge at the limits of the musician and his song

Music's Golden Frontier Smitty Herron, 2011-08-02 Smitty is a creative talent who brings a very unique interpretation that is both informative and anecdotal He had spent most of his life studying and working with the graphic visual arts Although he still loves the visual arts he finally realized later in life what he had actually known all along that everything comes back to a song It is not unusual for anyone to conjure up vivid memories whenever a certain song is mentioned or played However Smitty does it in a way that puts the reader into the actual environment very magical Most folks would probably not have experienced some of the events and circumstances that he mentions within this book but I think that everyone can relate to them Another factor that sets this book apart from other music retrospectives are the constant reminders of those unheralded performers writers producers who seldom would get top billing but who made outstanding creations just the same One of his strongest talents is being able to link a specific historic event with a song which of course comes from a very deep memory This along with the sometimes humorous observations contained throughout make for very enjoyable and informative reading Could actually be considered as a general reference book for the music and events of the baby boomer generation The best thing is not only is this book a story about a specific era but it is his story
