Talking to Angels Robert F. Perkins,1996 For Robert Perkins whose unique and intimate travel narratives have aired often on PBS arctic travel has become a way to test his ties to humanity In Talking to Angels Perkins records not only travels to the far north but also urgent journeys of a different kind In 1968 at age nineteen he was institutionalized for a year in a prestigious East Coast psychiatric hospital To give you the feeling I d hit you hard on the side of the head when you weren t expecting it with a flat board or a piece of rubber tubing That would be the short course the shock of the thing Talking to Angels begins here with darkly beautiful unflinching writing on a cruel year For Perkins solitary arctic travel is a way to test his ties to the rest of humanity I lived in a meat locker for two months something Kafka would have appreciated at the western edge of the District of Mackenzie near the Thelon Game Preserve in the heart of the Canadian Northwest Territories Perkins s writing on the arctic is filled with keen and quirkily humorous observations on the death dance of caribou and wolf on the quality of human fear on ancient human presence in a vast land

Visitations to Heaven and Talking with Angels Brenda J. Medley,2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing all of Heaven s beauty and glory my answer would have been an emphatic no However I found myself standing on a fluffy impenetrable white cloud

witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has a prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural

Jesus and the Angels Peter R. Carrell, 1997-07-10 This book first published in 1997 examines the influence of angelology on the christology of the Apocalypse of John In the Apocalypse Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE Dr Carrell asks what significance this has for the christology of the Apocalypse He concludes that by portraying Jesus in such a way that he has the form and function of an angel and yet is also divine the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible glorious form to his Church
