Hicks,2010 With this book Cheryl Hicks brings to light the voices and viewpoints of black working class women especially southern migrants who were the subjects of urban and penal reform in early twentieth century New York Hicks

compares the ideals of racial uplift. *Sit, Walk, Don't Talk* Jennifer Howd, 2017-05-30 Jennifer Howd had been building a mindfulness practice for a few years before taking on the challenge of her first nine day silent meditation retreat. In this debut memoir she chronicles the humorous and often harrowing adventures of the dueling inner voices that emerge in the silence: one intent on focusing on the seemingly negative aspects of her experiences and the other on helping her see the positivity that can come from them. Illuminating for those who are new to mindfulness and resonant for those with established practices, *Sit Walk Don't Talk: How I Survived a Silent Meditation Retreat* also includes a helpful appendix listing tips for preparing for a silent meditation retreat, including a section for undertaking a retreat on your own. *Sit Walk Don't Talk* is written from a secular perspective and will appeal to folks who've never attended a residential retreat but are curious about the experience and want to get a taste of what to expect before possibly taking the plunge. Practitioners who dream of going on retreat but cannot make the time will also get a lot out of Howd's story as well as folks who've been on many retreats and want to recapture the feeling without leaving home.

Talk Show Campaigns Michael Parkin, 2014-02-05 Over the past twenty years presidential candidates have developed an entertainment talk show strategy in which they routinely chat with the likes of Oprah Winfrey, David Letterman, and Jon Stewart. In fact, between 1992 and 2012 there have been more than 200 candidate interviews on daytime and late night talk shows with nearly every presidential candidate from long shot primary contender to major party nominee hitting the talk show circuit at some point during the campaign. This book explores the development of the entertainment talk show strategy and assesses its impact on presidential campaigns. The chapters mix detailed narrative with extensive empirical data on audiences, content, viewer reaction, and press coverage to explain why candidates have embraced this strategy and the conditions under which these interviews are most likely to meet their expectations. The book also explores how these interviews can enhance campaigns by connecting a critical segment of the voting population with candidates who provide useful political information in a casual setting. *Talk Show Campaigns* shows that this is more than a gimmick; it's a key part of how candidates communicate with voters, which reveals a lot about how campaigns have changed over the past two decades.

Ma Speaks Up Marianne Leone, 2017-04-25 The acclaimed actress and author of *Jesse: A Mother's Story* tells the entertaining and moving

story of her outspoken frequently outrageous Italian immigrant mother Tom Perrotta Marianne Leone's Ma is in many senses a larger than life character one who might be capable even from the afterlife of shattering expectations Born on a farm in Italy Linda finds her way to the United States under dark circumstances having escaped a forced marriage to a much older man and marries a good Italian boy She never has full command of English especially when questioned by authorities and when she is suddenly widowed with three young children she has few options To her daughter's horror and misery she becomes the school lunch lady Ma Speaks Up is a record of growing up on the wrong side of the tracks with the wrong family in the wrong religion Though Marianne's girlhood is flooded with shame it's equally packed with adventure love great cooking and above all humor The extremely premature birth of Marianne's beloved son Jesse bonds mother and daughter in ways she couldn't have imagined The stories she tells will speak to anyone who has struggled with outsider status in any form and of course to mothers and their blemished cherished girls
