Shared Traditions Charles W. Joyner,1999 Grounded in Charles Joyner s unique blend of rigorous scholarship and

genuine curiosity these thoughtful and incisive essays by the eminent southern historian and folklorist explore the South's extraordinary amalgam of cultural traditions. By examining the mutual influence of history and folk culture, *Shared Traditions* reveals the essence of southern culture in the complex and dynamic interactions of descendants of Europeans, Africans, and Native Americans. The book covers a broad spectrum of southern folk groups, folklore expressions, and major themes of southern history, including antebellum society, slavery, the coming of the Civil War, economic modernization in the Appalachians and the Sea Islands, immigration, the civil rights movement, and the effects of cultural tourism. Joyner addresses the convergence of African and European elements in the Old South and explores how specific environmental and demographic features shaped the acculturation process. He discusses divergent practices in worship services, funeral and burial services, and other religious ceremonies. He examines links between speech patterns and cultural patterns, the influence of Irish folk culture in the American South, and the southern Jewish experience. He also investigates points of intersection between history and legend and relations between the new social history and folklore. Ranging from rites of power and resistance on the slave plantation to the creolization of language to the musical brew of blues, country, jazz, and rock, *Shared Traditions* reveals the distinctive culture born of a sharing by black and white southerners of their deep-rooted and diverse traditions.

Jake and the Giant Hand Philippa Dowding, 2014-09-10 The first in a series of scary tall tales from award-winning children's novelist Philippa Dowding. Why is Grandpa acting so weird? And why are there so many giant flies? Jake spends every summer on his grandpa's farm. But this year things are a little weird. First, there are huge flies everywhere. Second, Grandpa is acting kind of funny. And third, Jake's friend Kate keeps trying to scare him with creepy stories. Last year's tale about the swamp creature was bad enough, but this year's story about a hand that someone found in a farmer's field is even worse. And it wasn't just any hand, either. It was a giant's hand. It might just be the creepiest story of all. It can't be real, can it?
