undiscovered territories of the human heart in these melancholy comic and occasionally strange stories Along the way he leads us on a journey from contemporary Nashville to a fantastical land of talking dogs and flying trees teaching us at every step that even in the most familiar locales the ordinary is never just that *True to Life Intermediate Personal Study*

the liberal ironic vision of human existence Joyce and Mann expressed Those theorists who present myth as another form of mystification a search for false origins ignore its use by modernists to emphasise the ultimate contingency of all values This anti foundational element Bell claims enables myth to act as a corrective to the claims of ideological critique Bell shows how postmodern concerns with political and social responsibility and the role literature plays in formulating this have in fact been inherited from modernism
