Tallulah Bankhead A Bio Bibliography:

Tallulah Bankhead Jeffrey Carrier, 1991-09-20 Tallulah Bankhead was an actress whose talents were greatly overshadowed by her antics. Indeed, the Bankhead personality was much better known than her acting roles. While it is impossible to study her career without exploring her highly charged personality, this bio bibliography honors Tallulah Bankhead, the actress. In a career that spanned five decades, she conquered practically every medium of entertainment: theater, film, radio, and television, leaving her mark in each one. Biographers have several times attempted to chronicle her life, but Bankhead remains too original, too unconventional, too colorful to be captured fully on paper. What can be noted are her many accomplishments, which have previously been ignored. This book corrects that oversight by documenting her 19 motion pictures, 56 stage plays, 167 radio appearances, and 56 television appearances, and also listing other professional appearances, recordings, awards, and tributes. Additional features include a biographical sketch based on research and interviews with associates, a chronology of highlights in her life, an annotated bibliography of books and magazine articles about her or referring to her, and interesting photographs illustrating her career. Fully cross-referenced and indexed, this is a complete source for any research about Bankhead and will also provide helpful data and insights into the theater, films, persons, and events of her world. [Tallulah, Darling](#) Denis Brian, 1972 **Boris Karloff** Beverly Bare Buehrer, 1993-08-23 This reference work on Boris Karloff presents a comprehensive record of the life and career of this famous performer. The volume begins with a biography which succinctly presents the facts of Karloff's life. A chronology of his significant achievements follows. The remaining chapters overview Karloff's broad career. Chapters document and comment upon his film, stage, radio, and television performances. A discography is included as well. The book concludes with an annotated bibliography of books and articles about Karloff, along with a comprehensive index. This reference book is a comprehensive guide to his career. The volume begins with a biography that looks at Ford as a person, a director, and a cinematic legend, and influence. Ford's life is discussed chronologically, but the biography repeatedly considers how his early experiences shaped his creative vision and attempts to explain why he was so self-destructive and unhappy throughout his career. In addition, the biography carefully scrutinizes his methods, styles, techniques, and secrets of direction. A chronology presents his achievements in capsule form. The rest of the book provides detailed information about his many productions and about the response to his works.
