Cumulative List of Organizations United States. Internal Revenue Service, 1950 *Habad* Roman A. Foxbrunner, 1992 Hasidism evokes heated controversy among scholars trying to analyze the movement and its significance The Hasidic thought of Rabbi Shneur Zalman of Lyady 1745 1813 known as Habad has had a major influence of Jewish life throughout the world Habad is an acronym of the initials for the Hebrew word Hokhmah Binah Da at or wisdom understanding knowledge This book based on all the extant teachings of Shneur Zalman systematically presents that thought and analyzes its underlying theological philosophical religious and ethical concepts The focus is on axiology and on three broad questions What were Shneur Zalman's criteria for religioethical perfection What did he want his followers to believe know feel and do in order to aspire toward that perfection What were the attitudes and value he sought to inculcate with this end in mind Because Shneur Zalman's Hasidism grew out of the Hasidism of Israel Baal Shem Tov and Dov Baer of Mezritch their teachings are also examined and analyzed Foxbrunner concludes that although the outstanding features of Shneur Zalman's Hasidism are syncretism tension and paradox some valid generalizations do emerge Foremost among these is his belief that man was created to serve his Maker and that true selfless and joyous service is impossible without a love and fear of God grounded in comprehension and generated by intense contemplation Shneur Zalman insisted that such service is within every man's grasp provided he is willing to reach for it and taught how to do so Inspiring that will and providing that training were the functions of all true leaders of Israel Shneur Zalman assimilated the teachings of Baal Shem Tov and Dov Baer and saw himself as the third of a single line of Hasidic masters Combining great intellect profound compassion and mental discipline Shneur Zalman devoted himself to inspiring selfless service to God He was very much and perhaps uniquely a this worldly mystic devoted to raising funds to ease the plight of the poor and above all to educating men in a mysticism that was warm concerned vital and sensitive **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901

The Jewish Encyclopedia: a Descriptive Record of the History, Religion, Literature, and Customs of the Jewish People

from the Earliest Times to the Present Day, 1907 *The Jewish Encyclopedia*, 1925 **The Jews of Pinsk, 1506 to 1880**

Mordekhai Nadav, Mark Mirsky, 2008 *The Jews of Pinsk 1506 1880* is the first part of a major scholarly project about a small city in Eastern Europe where Jews were a majority of the population from the end of the eighteenth century Pinsk boasted both traditional rabbinic scholars and famous Hasidic figures and over time became an international trade emporium a center of the Jewish Enlightenment a cradle of Zionism and the Jewish Labor movement and a place where Orthodoxy struggled vigorously with modernity The two volumes of Pinsk history were originally part of a literature created by Jews who survived the Holocaust and were determined to keep in memory a vital world that flourished for half a millennium In this case the results are extraordinary no town of Eastern Europe has been described in such fascinating detail invaluable to Jewish and non Jewish historians alike For the second volume of this two volume collection see *The Jews of Pinsk 1881 1941*

The Jews of Pinsk, 1881 to 1941 Azriel Shohet, 2013-01-09 *The Jews of Pinsk* is the most detailed and comprehensive history of a single Jewish community in any language This second portion of this study focuses on Pinsk's turbulent final sixty years showing the reality of life in this important and in many ways representative Eastern European Jewish community From the 1905 Russian revolution through World War One and the long prologue to the Holocaust the sweep of world history and the fate of this dynamic center of Jewish life were intertwined Pinsk's role in the bloody aftermath of World War One is still the subject of scholarly debates the murder of 35 Jewish men from Pinsk many from its educated elite provoked the American and British leaders to send emissaries to Pinsk Shohet argues that the executions were a deliberate ploy by the Polish military and government to intimidate the Jewish population of the new Poland Despite an increasingly hostile Polish state Pinsk's Jews managed to maintain their community through the 1920s and 30s until World War Two brought a grim Soviet interregnum succeeded by the entry of the Nazis on July 4th 1941 For the first volume of this two volume collection see *The Jews of Pinsk 1506 1880* at www.sup.org/book.cgi?id=1442

The Arc of the Covenant Earl Schwartz, 2019-07-08 *The Arc of the Covenant* studies the social cultural and political factors that contributed to exceptional Jewish educational success in St Paul Minnesota in the latter half of the twentieth century The book draws on archival sources interviews with principal figures and wide ranging research on Jewish education and community dynamics to elucidate the story's intriguing improbabilities Why such success in a midsize midcentury midwestern river town with a relatively small Jewish population of limited resources How did it happen and how have circumstances changed in recent years The answers are to be found at the intersection of broad historical forces and local circumstances Though focused on a particular place and time the implications reach far beyond St Paul then and now making *Arc of the Covenant* a timely resource for current Jewish educational planners along with educators in other communities dedicated to the transmission of a sacred heritage **The Jewish Communal Register of New York City, 1917-1918** Jewish Community of New York City, 1918 [The Universal Jewish Encyclopedia ...](#) Isaac Landman, Simon Cohen, 1943 [20th Century Jewish Religious Thought](#) Arthur A. Cohen, Paul
