Taming The Bureaucracy Muscles Prayers And Other Strategies:

Taming the Bureaucracy William T. Gormley Jr., 2014-07-14 Americans are just emerging from one of the great reform eras in our historyan era in which we attempted to control public bureaucracies through interest representation due process management policy analysis federalism and oversight The United States has in fact undergone an institutional realignment and has emerged with a weaker less autonomous bureaucracy In a book that will interest not only public administration specialists but students of American government generally William Gormley examines the consequences of the reform efforts of the 1970s and 1980s and seeks to understand why despite an astonishing number of these efforts we remain dissatisfied with the results The American bureaucracy is beleaguered and besieged writes Gormley Unfortunately the bureaucracy s critics are equally capable of blunders The author explains our situation by analyzing a spectrum of controls ranging from catalytic to hortatory to coercive Catalytic controls such as proxy advocacy environmental impact statements and freedom of information acts are most flexible while coercive controls such as legislative vetoes executive orders and judicial take overs of state institutions are most rigid While recommending that controls be tailored both to issues and to bureaucracies Gormley shows that coercive interventions or muscles often generate new bureaucratic pathologies without eradicating old ones In contrast catalytic controls or prayers energize the bureaucracy without predetermining a hastily crafted response Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Taming the Bureaucracy William T. Gormley, 1989 Americans are just emerging from one of the great reform eras in our historyan era in which we attempted to control public bureaucracies through interest representation due process management policy analysis federalism and oversight The United States has in fact undergone an institutional realignment and has emerged with a weaker less autonomous bureaucracy In a book that will interest not only public administration specialists but students of American government generally William Gormley examines the consequences of the reform efforts of the 1970s and 1980s and seeks to understand why despite an astonishing number of these efforts we remain dissatisfied with the results The American bureaucracy is beleaguered and besieged writes Gormley Unfortunately the bureaucracy s critics are equally capable of blunders The author explains our situation by analyzing a spectrum of controls ranging from catalytic to hortatory to coercive Catalytic controls such as proxy advocacy environmental impact statements and freedom of information acts are most flexible while coercive controls such as legislative vetoes executive orders and judicial take overs of state institutions are most rigid While recommending that controls be tailored both to issues and to bureaucracies Gormley shows that coercive interventions or muscles often generate

new bureaucratic pathologies without eradicating old ones In contrast catalytic controls or prayers energize the bureaucracy without predetermining a hastily crafted response Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Taming the Bureaucracy William T. Gormley, 1989-01-01 **American Public Policy: Promise and Performance, 9th Edition** B.

Guy Peters, 2012-10-16 Voting and elections may often be cited as the most entertaining aspect of political theatre however it is the arena of public policy that has the most direct impact on the lives of the citizenry And as we have seen played out in recent debates over healthcare reform policy changes can be dramatic sweeping and often hotly contested Known for providing a trusted and comprehensive overview of the policy process B Guy Peters returns with the ninth edition of American Public Policy Promise and Performance Beyond walking students through the governmental structures and policy making procedures Peters efficiently covers a wide swath of policy areas and then concludes with a look at both cost benefit analysis and ethical analysis Framed in context of the aftermath of the financial crisis and Great Recession the ninth edition considers how policy has been impacted by persistent unemployment and growing income inequality In addition Peters discusses the strain on education budgets increased oversight of financial activities fiscal policies meant to stimulate the economy and the political challenge of balancing the budget in light of increased public spending

Public Administration Eran Vigoda-Gadot, 2002-06-07 Offering strategies for a new generation of administrative systems this book explores the impact of recent managerial reforms and shifting societal values on the stability legitimacy and progress of democratic governments The chapters highlight innovations in consumer communication management and marketing evolving methods of policy planning formation and implementation and the role of high information high technology in public agencies Providing insight into the changing environment present in most governing structures the book covers ethical dilemmas in public service the definition of work for public sector employees and population behavior during mass disasters

A Two Way Street George A. Krause, 2010-11-23 One of the central questions of political science has been whether politicians control the bureaucracy or whether the bureaucracy possesses independent authority from democratic institutions of government Relying on advanced statistical techniques and case studies George Krause argues instead for a dynamic system of influence one allowing for two way interaction among the president congress and bureaucratic agencies Krause argues that politicians and those responsible for implementing policy respond not only to each other but also to events and conditions within each government institution as well as to the larger policy environment His analysis and conclusions will challenge conventional theoretical and empirical wisdom in the field of administrative politics and public bureaucracy

Cops, Soldiers, and Diplomats Tony Payan, 2006-01-01 Cops Soldiers and Diplomats is an exceptionally clear exposition of bureaucratic behavior amongst various agencies as each responded to the challenges of the War on Drugs Chapter by chapter author Tony Payan exposes the bureaucratic imperatives of the numerous agencies waging the drug war uncovering some of the fundamental structural reasons why this war could not succeed within the United States fragmentation competition duplication jealousy turf wars information hiding and ultimate failure Payan's work will be certain to find an audience with politicians and policy makers students of sociology and criminology and any one interested in the drug war

The Anthropology of Organisations Alberto Corsin Jimenez, 2017-05-15 The Anthropology of Organisations offers a critical overview of the work that for over sixty years anthropologists have been carrying out in and on organisations and of the contribution that this work has made to social theory at large Moving beyond earlier preoccupations with culture and relationality the volume brings together a selection of classic and contemporary articles that cast new light on the relevance of ethnography for organisational and social theory It offers an indispensable resource for students and scholars interested in the politics behind the institutionalisation of social life

Whistleblowing Roberta Ann Johnson, 2003 An exploration of when and how and to what effect people make the choice to blow the whistle Case studies from the tobacco industry to NASA to the FDA illustrate how individual efforts can and do transform institutions shape public policy and serve as a force for democratization

Electronic Government: Concepts, Methodologies, Tools, and Applications Anttiroiko, Ari-Veikko, 2008-03-31 Provides research on e government and its implications within the global context Covers topics such as digital government electronic justice government to government information policy and cyber infrastructure research and methodologies

Institutions of American Democracy Joel D. Aberbach, Mark A. Peterson, 2005-10-27 Presents a collection of essays that provide an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level

Crafting Public Institutions Arjen Boin, 2001 Through case studies of two prison systems the U S Federal Bureau of Prisons and the Dutch prison system the book identifies the challenges and opportunities that confront public managers who want to reorient correctional policy and make prisons more effective The book describes how focused leadership or its absence can make a major difference in the character and performance of public organizations The author concludes that the ability of leaders to shape an organization's mission and motivate public servants in accordance with policy goals lies at the heart of making institutions work

Local Government Management Douglas J. Watson, Wendy L. Hassett, 2016-04-15 Some of the very best writings on issues involving local government can be found in journals published by the American Society for Public Administration or journals with which ASPA is associated This volume includes thirty of the most outstanding articles that have been published over the past sixty years in these journals Local Government Management is an ideal supplement for any course in local management and administration whether the

audience is students or practicing professionals

Development Betrayed Richard B Norgaard, 2006-05-18 Modernity promised control over nature through science material abundance through technology and effective government through rational social organization Instead of leading to this promised land it has brought us to the brink of environmental and cultural disaster Why has there been this gap between modernity's aspirations and its achievements **Development Betrayed** offers a powerful answer to this question Development with its unshakeable commitment to the idea of progress is rooted in modernism and has been betrayed by each of its major tenets Attempts to control nature have led to the brink of environmental catastrophe Western technologies have proved inappropriate for the needs of the South and governments are unable to respond effectively to the crises that have resulted Offering a thorough and lively critique of the ideas behind development Richard Norgaard also offers an alternative co evolutionary paradigm in which development is portrayed as a co evolution between cultural and ecological systems Rather than a future with all peoples merging to one best way of knowing and doing things he envisions a future of a patchwork quilt of cultures with real possibilities for harmony

Why Americans Hate the Media and How It Matters Jonathan M. Ladd, 2011-12-05 As recently as the early 1970s the news media was one of the most respected institutions in the United States Yet by the 1990s this trust had all but evaporated Why has confidence in the press declined so dramatically over the past 40 years And has this change shaped the public's political behavior This book examines waning public trust in the institutional news media within the context of the American political system and looks at how this lack of confidence has altered the ways people acquire political information and form electoral preferences Jonathan Ladd argues that in the 1950s 60s and early 70s competition in American party politics and the media industry reached historic lows When competition later intensified in both of these realms the public's distrust of the institutional media grew leading the public to resist the mainstream press's information about policy outcomes and turn toward alternative partisan media outlets As a result public beliefs and voting behavior are now increasingly shaped by partisan predispositions Ladd contends that it is not realistic or desirable to suppress party and media competition to the levels of the mid twentieth century rather in the contemporary media environment new ways to augment the public's knowledgeability and responsiveness must be explored Drawing on historical evidence experiments and public opinion surveys this book shows that in a world of endless news sources citizens trust in institutional media is more important than ever before

American Public Policy B. Guy Peters, 2015-08-28 American Public Policy provides a comprehensive yet accessible overview of the landscape of public policy This foundational text takes students through the governmental systems and core theories of policymaking before turning to in depth exploration of key policy areas and tools of policy analysis Important additions to this Tenth Edition include expanded discussions of policy instruments the challenges for public policymakers presented by the continuing gridlock in Washington the Affordable Care Act higher education funding reproductive rights and gay rights New coverage of fracking controversies race and racial profiling and the legalization of

marijuana keeps students up to date with recent policy debates and issues

Judging Statutes Robert A.

Katzmann, 2014-08-14 In an ideal world the laws of Congress known as federal statutes would always be clearly worded and easily understood by the judges tasked with interpreting them But many laws feature ambiguous or even contradictory wording How then should judges divine their meaning Should they stick only to the text To what degree if any should they consult aids beyond the statutes themselves Are the purposes of lawmakers in writing law relevant Some judges such as Supreme Court Justice Antonin Scalia believe courts should look to the language of the statute and virtually nothing else Chief Judge Robert A Katzmann of the U S Court of Appeals for the Second Circuit respectfully disagrees In *Judging Statutes* Katzmann who is a trained political scientist as well as a judge argues that our constitutional system charges Congress with enacting laws therefore how Congress makes its purposes known through both the laws themselves and reliable accompanying materials should be respected He looks at how the American government works including how laws come to be and how various agencies construe legislation He then explains the judicial process of interpreting and applying these laws through the demonstration of two interpretative approaches purposivism focusing on the purpose of a law and textualism focusing solely on the text of the written law Katzmann draws from his experience to show how this process plays out in the real world and concludes with some suggestions to promote understanding between the courts and Congress When courts interpret the laws of Congress they should be mindful of how Congress actually functions how lawmakers signal the meaning of statutes and what those legislators expect of courts construing their laws The legislative record behind a law is in truth part of its foundation and therefore merits consideration

eTransformation in Governance Matti

Mälkiä, Ari-Veikko Anttiroiko, Reijo Savolainen, 2004-01-01 Annotation *eTransformation in Governance* New Directions in Government and Politics is about transformation in government and governance due to the information society development It provides conceptual clarification of the e transformation in governance and presents empirical findings on the recent developments in western countries This book provides innovative and fresh views to recent developments and practices of e governance

[American Government and Politics](#) Robert Singh, 2003-02-24 Written for all students of politics coming to the subject for the first time this textbook provides a lively and accessible introduction and guide to all the main features and characteristics of one of the most distinctive and complex political systems in the world

Handbook of Public Administration, Second Edition W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 1997-09-19 This bestselling reference examines all major areas in public administration from the enlightening perspectives of history and the five great concepts or theories framing each topic including public budgeting financial management decision making public law and regulation and political economy The American Reference Books Annual calls this stimulating and thought provoking thorough and inclusive a valuable contribution and Canadian Public Administration said it is impressive an extremely useful reference tool the writing and analysis and the scope of the coverage make the volume a good investment for both government and university

libraries

Taming The Bureaucracy Muscles Prayers And Other Strategies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taming The Bureaucracy Muscles Prayers And Other Strategies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taming The Bureaucracy Muscles Prayers And Other Strategies has opened up a world of possibilities. Downloading Taming The Bureaucracy Muscles Prayers And Other Strategies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taming The Bureaucracy Muscles Prayers And Other Strategies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taming The Bureaucracy Muscles Prayers And Other Strategies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taming The Bureaucracy Muscles Prayers And Other Strategies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright

laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taming The Bureaucracy Muscles Prayers And Other Strategies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taming The Bureaucracy Muscles Prayers And Other Strategies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Taming The Bureaucracy Muscles Prayers And Other Strategies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Taming The Bureaucracy Muscles Prayers And Other Strategies is one of the best book in our library for free trial. We provide copy of Taming The Bureaucracy Muscles Prayers And Other Strategies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Taming The Bureaucracy Muscles Prayers And Other Strategies. Where to download Taming The Bureaucracy Muscles Prayers And Other Strategies online for free? Are you looking for Taming The Bureaucracy Muscles Prayers And Other Strategies PDF? This is definitely going to save you time and cash in something you should think about.
