Taming The Bureaucrat:

Taming the Bureaucrat Gerald W. Grumet, 2002-10

Taming the Bureaucrat Gerald W. Grumet MD, 2011

Taming the President Andrea Carati, Andrea Locatelli, 2025-08-18 During his first term in office Donald Trump failed to implement his revolutionary foreign policy agenda To provide a plausible explanation for the multifaceted nature of Trump's foreign policy achievements and shortcomings this book brings together leadership trait analysis and bureaucratic politics to develop a model that frames their interactions and mutual influence

Dealing with Dysfunction Jorrit de Jong, 2016-09-13 How can we intervene in the systemic bureaucratic dysfunction that beleaguers the public sector De Jong examines the roots of this dysfunction and presents a novel approach to solving it Drawing from academic literature on bureaucracy and problem solving in the public sector and the clinical work of the Kafka Brigade a social enterprise based in the Netherlands dedicated to diagnosing and remedying bureaucratic dysfunction in practice this study reveals the shortcomings of conventional approaches to bureaucratic reform The usual methods have failed to diagnose problems distinguish symptoms or identify root causes in a comprehensive or satisfactory way They have also failed to engage clients professionals and midlevel managers in understanding and addressing the dysfunction that plagues them This book offers conceptual frameworks theoretical insights and practical lessons for dealing with the problem It sets a course for rigorous public problem solving to create governments that can be more effective efficient equitable and responsive to social concerns De Jong argues that successfully remedying bureaucratic dysfunction depends on employing diagnostics capable of distinguishing and dissecting various kinds of dysfunction The Anna Karenina principle applies here all well functioning bureaucracies are alike every dysfunctional bureaucracy is dysfunctional in its own way The author also asserts that the worst dysfunction occurs when multiple organizations share responsibility for a problem but no single organization is primarily responsible for solving it This points to a need for creating and reinforcing distributed problem solving capacity focused on deep cross organizational learning and revised accountability structures Our best approach to dealing with dysfunction may therefore not be top down regulatory reform but rather relentless bottom up and cross boundary leadership and innovation Using fourteen clinical cases of bureaucratic dysfunction investigated by the Kafka Brigade the author demonstrates how a proper process for identifying defining diagnosing and remedying the problem can produce better outcomes

The State of Public Bureaucracy Larry B. Hill, 2020-07-09 The authors explore the many ways that gender and communication intersect and affect each other Every chapter encourages a consideration of how gender attitudes and practices past and current influence personal notions of what it means not only to be female and male but feminine and masculine The second edition of this student friendly and accessible text is filled with contemporary examples activities and exercises to help students put theoretical concepts into practice

Cops, Soldiers, and Diplomats Tony Payan, 2006-01-01 Cops Soldiers and Diplomats is an exceptionally clear exposition of bureaucratic behavior amongst various agencies as each

responded to the challenges of the War on Drugs Chapter by chapter author Tony Payan exposes the bureaucratic imperatives of the numerous agencies waging the drug war uncovering some of the fundamental structural reasons why this war could not succeed within the United States fragmentation competition duplication jealousy turf wars information hiding and ultimate failure Payan's work will be certain to find an audience with politicians and policy makers students of sociology and criminology and any one interested in the drug war

The Politics of Bureaucracy B.Guy Peters, 2014-05-30 This exploration of the political and policy making roles of public bureaucracies offers comparative analysis of the effects of politics on bureaucracy including international case studies on North America Western and Eastern European and Asian countries discussion of how governments have been developing strategies to enhance coordination and coherence across their programmes analysis of the use of performance management in public administration and revision and updating to take into account new literature that has emerged in recent years including a discussion of E Governance and analysis of new public management

The Dynamics of Bureaucracy in the US Government Samuel Workman, 2015-04-16 This book assesses the influence of bureaucracy in American politics asking how government agencies and Congress come to know about and understand important policy problems confronting citizens and government officials

Development and Change S. P. Nagendra, 1994 Contributed articles in the Indian context

A History of the U.S. Political System Richard A. Harris, Daniel J. Tichenor, 2009-12-23 This reference resource combines unique historical analysis scholarly essays and primary source documents to explore the evolution of ideas and institutions that have shaped American government and Americans political behavior One of the most active and revealing approaches to research into the American political system is one that focuses on political development an approach that combines the tools of the political scientist and the historian A History of the U S Political System Ideas Interests and Institutions is the first comprehensive resource that uses this approach to explore the evolution of the American political system from the adoption of the Constitution to the present A History of the U S Political System is a three volume collection of original essays and primary documents that examines the ideas institutions and policies that have shaped American government and politics throughout its history The first volume is issues oriented covering governmental and nongovernmental institutions as well as key policy areas The second volume examines America's political development historically surveying its dynamic government era by era Volume three is a collection of documentary materials that supplement and enhance the reader's experience with the other volumes

The Taming of Democracy Assistance Sarah Sunn Bush, 2015-04-30 Few government programs that aid democracy abroad today seek to foster regime change Technical programs that do not confront dictators are more common than the aid to dissidents and political parties that once dominated the field What explains this taming of democracy assistance This book offers the first analysis of that puzzle In contrast to previous research on democracy aid it focuses on the survival instincts of the non governmental organizations NGOs that design and implement democracy assistance To survive Sarah Bush argues

that NGOs seek out tamer types of aid especially as they become more professional Diverse evidence including three decades of new project level data case studies of democracy assistance in Jordan and Tunisia and primary documents gathered from NGO archives supports the argument This book provides new understanding of foreign influence and moral actors in world politics with policy implications for democracy in the Middle East **Development Betrayed** Richard B

Norgaard,2006-05-18 Modernity promised control over nature through science material abundance through technology and effective government through rational social organization Instead of leading to this promised land it has brought us to the brink of environmental and cultural disaster Why has there been this gap between modernity s aspirations and its achievements Development Betrayed offers a powerful answer to this question Development with its unshakeable commitment to the idea of progress is rooted in modernism and has been betrayed by each of its major tenets Attempts to control nature have led to the brink of environmental catastrophe Western technologies have proved inappropriate for the needs of the South and governments are unable to respond effectively to the crises that have resulted Offering a thorough and lively critiques of the ideas behind development Richard Norgaard also offers an alternative co evolutionary paradigm in which development is portrayed as a co evolution between cultural and ecological systems Rather than a future with all peoples merging to one best way of knowing and doing things he envisions a future of a patchwork quilt of cultures with real possibilities for harmony **The Politics of Bureaucracy** ,2018-04-19 Written by B Guy Peters a leading authority in the

field this comprehensive exploration of the political and policy making roles of public bureaucracies is now available in a fully revised seventh edition offering extensive well documented comparative analysis of the effects of politics on bureaucracy Updates to this edition include All new coverage of public administration in Latin America and Africa with special attention paid to the impact of New Public Management and other ideas for reform An examination of the European Union and its effects on public policy and public administration in member countries as well as an exploration of the EU as a particular type of bureaucracy A renewed emphasis on coordination and the role of central agencies A thorough assessment of internationalization of bureaucracies and concerns with the role of international pressures on domestic governments and organizations in the public sector Coverage of the wide ranging impacts of the 2008 economic slowdown on public bureaucracies and public policies and the varied success of governmental responses to the crisis Drawing on evidence from a wide variety of political systems The Politics of Bureaucracy Seventh Edition continues to be essential reading for all students of government policy analysis politics and international relations **Taming the Bureaucracy** William T.

Gormley,1989-01-01 **Bureaucracy and Democracy: Accountability and Performance 3E** William T Gormley,Steven J Balla,2013 Given the influence and impact of public bureaucracies in policy implementation and the accountability they owe to the American public their performance must be assessed in a systematic manner With this new edition the authors revisit their four key perspective bounded rationality principal agent theory interest group mobilization and network theory to help

students develop an analytic framework for comprehensively evaluating bureaucratic performance

Bureaucracy and Democracy Steven J. Balla, William T. Gormley, Jr., 2017-07-26 Given the influence of public bureaucracies in policymaking and implementation Steven J Balla and William T Gormley assess their performance using four key perspectives bounded rationality principal agent theory interest group mobilization and network theory to help students develop an analytic framework for evaluating bureaucratic accountability The new Fourth Edition provides a thorough review of bureaucracy during the Obama and Trump administrations as well as new attention to state and local level examples and the role of bureaucratic values

Bureaucrats, Politics And the Environment Richard W. Waterman, Amelia A. Rouse, Robert Wright, 2004-03-21 The bureaucracy in the United States has a hand in almost all aspects of our lives from the water we drink to the parts in our cars For a force so influential and pervasive however this body of all nonelective government officials remains an enigmatic impersonal entity The literature of bureaucratic theory is rife with contradictions and mysteries Bureaucrats Politics and the Environment attempts to clarify some of these problems The authors surveyed the workers at two agencies enforcement personnel from the U S Environmental Protection Agency and employees of the New Mexico Environment Department By examining what they think about politics the environment their budgets and the other institutions and agencies with which they interact this work puts a face on the bureaucracy and provides an explanation for its actions

Governing America Robert Singh, 2003 Governing America is an innovative edited textbook designed for first time students of American politics Written by an international team of experts this volume offers an accessible and comprehensive examination of American politics both before and after September 11 Divided into four parts the volume opens with an introduction to the main theoretical and historical surveys of American politics and foreign policy Part Two analyzes the key institutions of American government Part Three examines a range of public policies and Part Four assesses a series of contemporary issues and controversies

What Motivates Bureaucrats? Marissa Martino Golden, 2000-11-01 Every once in a while somebody has to get the bureaucracy by the neck and shake it loose and say Stop doing what you re doing Ronald Reagan How did senior career civil servants react to Ronald Reagan s attempt to redirect policy and increase presidential control over the bureaucracy What issues molded their reactions What motivates civil servants in general How should they be managed and how do they affect federal policies To answer these questions Marissa Martino Golden offers us a glimpse into the world of our federal agencies What Motivates Bureaucrats tells the story of a group of upper level career civil servants in the Reagan administration at the Environmental Protection Agency the Justice Department s Civil Rights Division the Food and Nutrition Service and the National Highway Traffic Safety Administration The book reveals that most career civil servants were usually responsive to executive direction even with a president attempting to turn agency policy 180 degrees from its past orientation By delving deeply into the particular details of Reagan s intervention into the affairs of upper level career civil servants Golden also fulfills her broader mission of improving our understanding of bureaucratic

behavior in general explaining why the bureaucracy is controllable and highlighting the limits of that control

Bureaucracy's Masters and Minions Eleanor L. Schiff, 2020-07-23 In *Bureaucracy's Masters and Minions: The Politics of Controlling the U.S. Bureaucracy* the author argues that political control of the bureaucracy from the president and the Congress is largely contingent on an agency's internal characteristics of workforce composition, workforce responsibilities, and workforce organization. Through a revised principal agent framework, the author explores an agent principal model to use the agent as the starting point of analysis. The author tests the agent principal model across 14 years and 132 bureaus and finds that both the president and the House of Representatives exert influence over the bureaucracy, but agency characteristics such as the degree of politicization among the workforce, the type of work the agency is engaged in, and the hierarchical nature of the agency affect how agencies are controlled by their political masters. In a detailed case study of one agency, the U.S. Department of Education, the author finds that education policy over a 65-year period is elite-led and that the hierarchical nature of the department conditions political principals' influence. This book works to overcome three hurdles that have plagued bureaucratic studies: the difficulty of uniform sampling across the bureaucracy, the overuse of case studies, and the overreliance on the principal agent theoretical approach.

Eventually, you will agreed discover a new experience and expertise by spending more cash. yet when? do you say yes that you require to get those all needs like having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more roughly the globe, experience, some places, bearing in mind history, amusement, and a lot more?

It is your categorically own epoch to produce an effect reviewing habit. along with guides you could enjoy now is **Taming The Bureaucrat** below.
