[Unraveling the Stars](#) Brenda Hiatt, 2022-01-18 A terrible choice between love and friendship. You suspect your best friend has been sucked into a dangerous cult. Worse, the guy you're hopelessly in love with is a member. Rescuing your friend will ruin your budding romance, but what choice do you have? Bri and Deb have been besties with M since elementary school, but over the past year and a half, she's changed. The more strange things they notice, the more they think whatever is going on with M has something to do with that new company that recently relocated to Jewel and all the new students whose parents work there. Their suspicions deepen when they start dating two of the hot new boys and notice more and more weird anomalies, like common phrases the boys don't know and strength and speed that seem to go beyond the ordinary. The more they dig for clues, the more certain they are that M has been drawn into a cult that's performing dangerous experiments on their members, including M. Confronting her will almost certainly ruin the promising new romances both Bri and Deb are enjoying, but they realize it's a risk they'll have to take. What they don't expect is the incredible truth behind all the evidence they've collected or the risk they'll run by exposing it. *One Wicked Night* Sari Robins, 2009-05-05 One Wicked Night of Passion Can Change Everything To escape her tyrannical father's designs, Miss Lillian Kane gambles her reputation and transforms herself from insipid Miss Wallflower to Daring Sensation, dazzling Polite Society and the opportune attention of a notable marquis in the process. But when her kindly protector is wrongly accused of murder and dragged off to Newgate Prison, suddenly Lillian needs more than a pretty face and a plan. She needs Nicholas Redford, the one man in London who wants nothing to do with her. Nick is not about to imperil his good name or that of his fledgling inquiry firm by helping a murderous scoundrel elude justice, no matter how enticing the man's mistress. But the exquisite Miss Kane is not as she appears; the dashing investigator soon learns. And it is only after one wicked night of passion that Nick realizes that of all dark places where danger lurks, the most unsuspecting is his heart. *The Beauty and the Spy* Gayle Callen, 2009-05-26 For the many romance fans who can't get enough of romances set in England, as well as fans of Christina Dodd: He kidnapped her to keep her safe, but the captor soon becomes a captive when she turns on her charm and has him falling in love. When his plans are overheard by one Charlotte Sinclair, he has no choice but to kidnap her to keep her safe. But Charlotte is not your typical London socialite, and her wit, intelligence, and beauty all threaten to corrupt Nick's resolve to never fall in love. *Hot Zone* Betty Womack, BookStrand Romantic Suspense Start with one woman who finally realizes her current love has been misplaced and demeaning. After years of bullying, the darkness hovering over her appears to be fading. She has at long last become the vibrant woman she truly wants to be. Well, there is one thing missing. But with a promising music career taking off, the last thing she needs is the incessant matchmakers in town trying to hook her up with every wannabe cowboy available. Lucas James is hot as hell but the cloud of mystery surrounding him is so thick you can cut it. Who is this guy and where did he come from anyway? He seems nice enough but you definitely wouldn't want to mess with him. How does a guy like this come to land in sleepy Fairplay, Texas? Is he running from something or someone? Whatever it is, he's not talking. Lucas just wants to be left alone to deal with his past but now a sexy brunette songwriter thinks she has the answers to all his problems. Unlikely.
