Tannik School Impact Of Education On The:

Tannik School Fred Bigjim, James K. Wells, Michael S. Cline, James Ito-Adler, 1974 A case study of the impact of formal education on one Alaskan Eskimo community and the effect on the teacher Tannik School Michael S. Cline, 1975 A case study of the impact of formal education on one Alaskan Eskimo community and the effect on the teacher Resources in Education ,1976 **Canadian Society in the Twenty-First Century, Fourth Edition** Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation's economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada's petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history

Tobias Haller,2007 Fossil Fuels Oil Companies and Indigenous Peoples is a study of oil production that focuses on the places from which oil is extracted and on the problems both environmental and human created in those places Global public awareness of the devastating impact of oil extraction on local communities has grown considerably in recent years due in large part to Ken Saro Wiwa s work on behalf of the Ogoni in south eastern Nigeria and his death in 1995 at the hands of Nigeria s military dictatorship This volume consists of eight case studies all of them examining these questions What can indigenous people do when faced with the destruction of their natural and social habitats And how do oil companies respond to the various forms of local and indigenous resistance to their activities The eight case studies deal with oil producing regions in Alaska Ecuador Venezuela Peru Colombia Nigeria Papua New Guinea and West Siberia and encompass 18 indigenous population groups **Alaska** Claus M. Naske,Herman E. Slotnick,2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska s peoples and the development of its economy have matched the diversity of its land and seascapes Alaska A History begins by examining the region s geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward s Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska s long

sought goal of statehood realized During World War II Alaska's place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state Alaska A History provides a full chronological survey of the region's and state's history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s Catalog of Copyright Entries.
