Tantalus in Love Alan Shapiro, 2006-09-04 Alan Shapiro is at his most passionate in this collection A work full of life jealousy lust and romantic abandon Tantalus in Love begins with the sorrow of a disintegrating marriage with its anger and suspicion its hurt and rage but moves on to celebrate the resilience of love after loss and the awakening glory of an amorous middle age Reinventing myth and symbol in lyrical portraits of astounding resonance Shapiro's poems yearn with hesitant love heated at renewal fragile but intensified by past experience of love's evanescence and uncertainty **Love Poems**

friendship love and poetry Exploring the gender of money helps us to better understand late medieval notions of economy and to recognize the ways in which gender ideology continues to haunt our understanding of money and value albeit often in occluded ways     **The Art of Description** Mark Doty,2014-12-02 It sounds like a simple thing to say what you see Mark Doty begins But try to find words for the shades of a mottled sassafras leaf or the reflectivity of a bay on an August morning or the very beginnings of desire stirring in the gaze of someone looking right into your eyes Doty finds refuge in the sensory experience found in poems by Blake Whitman Bishop and others The Art of Description is an invaluable book by one of America s most revered writers and teachers     The Music of Time John Burnside,2020-01-21 A revelatory and deeply personal history of twentieth century poetry by prize winning poet and memoirist John Burnside Poetry helps us to make sense of our world transforming what the Russian poet Osip Mandelstam called the noise of time into a kind of music The Music of Time is a unique history of twentieth century poetry by one of today s most acclaimed poets blending incandescent personal meditations with rare insights about a broad range of poets who distilled the essence of the moment gave voice to our griefs and joys and shaped our collective memory Bringing together poets from times and places as diverse as Tsarist Russia 1960s Harlem and Ireland at the height of the Troubles John Burnside reveals how poetry responded to the dramatic events of the century while shaping our impressions of them He takes readers from the trenches of World War I to a prison cell in Nazi Germany and from Rilke s grave in the Swiss Alps to Dylan Thomas s Welsh seaside His luminous narrative is woven through with insights into the poet s creative process as well as lyrical and thought provoking digressions on topics ranging from marriage to the Kennedy assassination A spellbinding work of literary history The Music of Time reveals how poets engaged with the most important issues and events of the twentieth century and bears personal witness to the beauty and power of an art form unlike any other     *Endeavors* ,2005     **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry     *Shakespeare's Sonnets and Narrative Poems* A.
