Chilton, 2011-08-25 This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in Aramaic but only recently translated into English Prolific scholars Flesher and Chilton guide readers in understanding the development of the targums their relationship to the Hebrew Bible their dates language and place in the history of Christianity and Judaism and their theologies and methods of interpretation Targum and Scripture Ernest Ernest George Clarke, Paul Virgil McCracken Flesher, 2002-01-01 This collection of essays focuses on the Targums of the Second Temple and Post Temple periods Essays address the Targums of the Pentateuch Prophets and Writings discussing aspects of method social context interpretation and text criticism *A Redaction History of the Pentateuchal Targums* Gudrun Lier, 2010 A Redaction History of the Pentateuch Targums combines Targum studies with Judaic studies The author assigns different Targums Fragment Targum Recension P MS Paris 110 Neofiti 1 Onqelos and Pseudo Jonathan each to a respective particular Sitz im Leben stressing the close connection between Targum and Midrash literature She challenges the assumption that all extant Targums were compiled for the Synagogue Instead she suggests that Targum Onqelos might have fulfilled a function in the context of the early beth din and demonstrates that Pseudo Jonathan can be linked with the rhetorical practices which abounded in later amoraic educational circles Her theory is that Pseudo Jonathan was actually compiled in stages She identifies various problems for example the supposition by Mortensen and Flesher that rabbis and priests worked in distinct groups in the fourth century C E back cover Targum Chronicles and Its Place Among the Late Targums Leeor Gottlieb, 2020-06-08 Targum Chronicles and Its Place Among the Late Targums heralds a paradigm shift in the understanding of many of the Jewish Aramaic translations of individual biblical books and their origins Leeor Gottlieb provides the most extensive study of Targum Chronicles to date leading to conclusions that challenge long accepted truisms with regard to the origin of Targums This book's trail of evidence convincingly points to the composition of Targums in a time and place that was heretofore not expected to be the provenance of these Aramaic gems of biblical interpretation This study also offers detailed comparisons to other Targums and fascinating new explanations for dozens of aggadic expansions in Targum Chronicles tying them to their rabbinic sources *Targum Studies*, 1992 The Targum of Judges Willem Smelik, 2021-12-06 This book forms a contribution to the vexing question of the origin and growth of the Targum to the Prophets It provides an in depth analysis of the Targum of Judges on the basis of new materials unpublished manuscripts a new tool bilingual concordance and a new method analysis of consistency A critical review of previous research concerning the Targum's origin and growth is followed by an analysis and collations of many Western manuscripts a

systematic comparison of the Targum with the ancient translations a study of its exegetical traditions and a thorough examination of its consistency On this basis it is suggested that the Targum assumed its basic form in the second century CE due to the emergency of the rabbinic tradition but outside the context of the synagogue *A Redaction History of the Pentateuch Targums* Gudrun Lier,2014-08-26 **Studies in Targum Isaiah** Alberdina Houtman,2025-04-17 *Studies in Targum Isaiah Textual Witnesses Translation Techniques and Theological Explorations* is the culmination of 30 years of in depth research into Targum studies This comprehensive work offers a detailed description and comparison of available manuscripts an analysis of translation techniques and essays exploring the theological perspectives of the translators The final chapter delves into the risks and opportunities of intertextual comparison with the New Testament providing a thoughtful perspective for scholars and students alike Essential for anyone interested in biblical studies this book offers valuable insights into the complexities of Targum Isaiah and its relevance in theological discourse **Targum and New Testament** Martin McNamara,2011 The relevance of the Targums Aramaic translations of the Hebrew Bible for the understanding of the New Testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the Targum manuscripts and the nature of the Aramaic The debate has become more focused by reason of the Qumran finds of pre Christian Aramaic documents 1947 and the identification of a complete text of the Palestinian Targum of the Pentateuch in the Vatican Library Codex Neofiti 1956 Martin McNamara traces the history of the debate down to our own day and the annotated translation of all the Targums into English He studies the language situation Aramaic and Greek in New Testament Palestine and the interpretation of the Scriptures in the Targums with concepts and language similar to the New Testament Against this background relationships between the Targums and the New Testament are examined A way forward is suggested by regarding the tell like structure of the Targums with layers from different ages and a continuum running through for certain texts *A Jewish Targum in a Christian World* Alberdina Houtman,E. van Staaldwine-Sulman,Hans-Martin Kirn,2014-02-20 What is the use of a Targum in a cultural setting where Aramaic is not a common language anymore And why would Christians be interested in a typically Jewish text in an otherwise anti Jewish milieu These and related questions have served as guides for Alberdina Houtman Eveline van Staaldwine Sulman and Hans Martin Kirn in bringing together the articles for the present book which consists of three parts 1 Uses and Functions of Targum in Europe 2 Editing Targums and their Latin Translations 3 Targums and Christianity A number of the articles deal with the codicological and paratextual aspects of the relevant manuscripts and editions as witnesses of their cultural historical situations The intended readership includes specialists in Targum Jewish and medieval studies church historians codicologists and Christian theologians **Translation and Interpretation in the Targum to the Books of Kings** Carol Dray,2005-12-01 The non literal interpretative renderings in the Targums are a source of fascination This study examines translation techniques in the Targum to the books of Kings and other Targums particularly in the areas of contemporization

reverential rendering treatment of figurative language and halakic harmonization Common theological concerns for example the uniqueness of God and the use of the innovative divine title Memra have been considered Divergences from the biblical text have been systematically compared with translations in the other ancient versions Close examination of the text leads to the conclusion that the preponderance of apparently didactic readings would conform with the Targum's function as a tool in the synagogue and the school and for private study

The Targum of Lamentations Philip S. Alexander, 2007 This work provides a definitive translation into English of the Targum of Lamentations based on a critical reading of all the extant versions with textual annotations and extensive notes An appendix offers in addition a translation and annotation of the Yemenite version

Studies in the Targum to the Twelve Prophets Robert Gordon, 2014-09-03 This volume is concerned with the origin and development of the Targum to the Prophets focusing for this purpose upon the Twelve Prophets from Nahum to Malachi A wide ranging introductory chapter sets current research in context by surveying almost two centuries of Targumic study It is argued that the evidence in the extant text for a Second Commonwealth phase in the Targum's history is meagre and that in particular the Qumran Habakkuk pesher is not dependent upon the Targum to Habakkuk Other issues discussed are the Hebrew Vorlage of the Targum incipit formulae Additional Targum and the standard Targum the haggadah in the Targum to Zechariah 3 in the light of a so called Eastern Aramaic linguistic element Targum and Peshitta land and divine presence and the final redaction of the Targum

Targum Studies: Targum and Peshitta Paul Virgil McCracken Flesher, 1992 Nine essays continue the debate since J Perles' 1859 study over the literary dependence of the Peshitta upon the Targum both ancient translations of the Hebrew Bible into Aramaic dialects Per Koster's title there has been a virtual Copernican revolution in the study of the origins of the Peshitta The new Leiden Peshitta edition lends credibility to the consensus from discussions of the issues the Pentateuch and the Prophets and the Writings that there is little relationship between the texts Includes indices for the Targum Peshitta other texts authors and Peshitta manuscripts Annotation copyrighted by Book News Inc Portland OR

Alternative Targum Traditions Alberdina Houtman, Harry Sysling, 2009 The present study explores the possibility of using variant readings of the Targum of the Prophets to get a better insight into the origin and history of Targum Jonathan The focus is on two sorts of variant readings the Tosefta Targums and the targumic quotations in rabbinic and medieval Jewish literature The chapter on the Tosefta Targums concentrates on variants from the book of Samuel The chapter on the targumic quotations includes quotations of all the Prophets in early Jewish literature In the Appendix a full list is given of all quotations of Targums of the Prophets presently known The book is useful for the study of the genesis of Targum Jonathan as well as for its later developments

Studies on Translation and Interpretation in the Targum to the Books of Kings Carol A. Dray, 2006 Divergences from the biblical text have been systematically compared with translations in the other ancient versions

The Targums in the Light of Traditions of the Second Temple Period Thierry Legrand, Jan Joosten, 2014-07-07 Although the Jewish Targums were written down only from the

second century CE onward and need to be studied against their Late Antique background the issue of their connection to earlier sources and traditions is an important one Do the existing Targums link up with an oral translation of Scripture and if so how far does it go back Do the Targums transmit traditional exegetical material in a distinct form What is the relation between the Targums and parabiblical literature of the Second Temple period including the New Testament In the present volume these and other questions are studied and debated by an international group of scholars including some of the best specialists of Targumic literature in all its diversity as well as specialists of various Second Temple writings

A Targumist Interprets the Torah: Contradictions and Coherence in Targum Pseudo-Jonathan Iosif J Zhakevich, 2022-01-17 This book conducts a focused study of contradictions and coherence in Targum Pseudo Jonathan The first section of this study examines the apparent disruption of congruity with regard to the vertical dimension of the Targum that is between the Torah the Hebrew Vorlage and the Targum the Aramaic translation The second section addresses the apparent disruption of congruity with regard to the horizontal dimension of the Targum that is within the boundaries of the TgPsJ corpus Ultimately this work suggests that the contradictions are given to resolution once the greater context of biblical and Jewish tradition is taken into consideration
