Tarot Divination:

Divination with the Tarot Monique Joiner Siedlak, 2022-10-21 It's time to delve into the realm of tarot. Let the cards guide you through your life with the aid of this book. Gain an understanding of all situations of your life by discovering the hidden purpose in each tarot card. Discover what awaits you and how to conquer the challenges of your life through tarot readings. The cards will offer you the answers you seek and solutions to any obstacles you might encounter. Divination with the Tarot aims to help you choose your tarot deck and interpret both the upright and the reversed meanings of the 22 Major Arcana cards and 56 Minor Arcana cards. You'll learn tarot readings are based primarily on intuition and developing a deep connection with your deck. The world of tarot may seem intimidating initially. Still, this guide will introduce you to everything you need to know about tarot reading. What questions can you ask your cards? Tips for choosing your first deck. How to cleanse and care for your deck. Which spreads can you use for various types of readings. And much more. If you have been wondering how to tap into your intuition, use it for tarot readings and connect with your deck, you will find all the guidance you need in this book. With the help of *Divination with the Tarot*, you will do your first Tarot reading in no time. *Tarot: No Questions Asked* Theresa Reed, 2020-09-01 Tap into your sixth sense and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls intuition. All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a comfortable connection to your sixth sense, the tarot readings lack finesse and become nothing more than cookie-cutter interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading, reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your intuition and sharpen your interpretation skills. **Tarot for Beginners: A Step-by-Step Guide to Tarot Reading and Tarot Spreads Using Tarot Cards** Vivienne Grant, 2021-06-24 Is tarot something that has fascinated you for a long time? When some people think of tarot, reading an image of that woman with weird-colored lipstick and scary eyes seated in a dimly lit room comes into mind. Tarot reading should evoke images of a sacred place filled with peace and quiet where you can engage with the cards and understand yourself, your purpose, and your future better. Although there is an increasing acceptance of tarot reading thanks to the internet, there are still many misconceptions out there. In this

Tarot for Beginners Lisa Chamberlain, 2019-11-27 Everything You Need to Know to Begin Reading Tarot Cards For centuries Tarot cards have been consulted for divination by those seeking answers from the unseen realms. The Tarot has been credited with illuminating solutions to major dilemmas and even helping people avoid future misfortunes. The Tarot experience can indeed be empowering, bringing clarity to confusing situations and showing us that we have the ability to shape our future based on the choices we make in the present. Far more than mere fortune telling, the Tarot is a tool for meditation and reflection for seeing new angles that give way to broader perspectives about how we approach our lives. In this 2nd edition of *Tarot for Beginners*, best selling author Lisa Chamberlain opens the door for newcomers to the Tarot in her trademark clear and straightforward manner. She dispels old myths and misconceptions about the Tarot, providing an objective look at its origins and its divinatory potential for 21st century readers. Tailored especially for those who want to read the cards for themselves, this guide offers strategies for getting familiar with each card, a step by step breakdown of the process of a reading, options for tailoring the approach to suit your unique style, and advice for getting the most out of reading the cards for yourself. Most guides to the Tarot are centered on a specific deck, such as the Waite Smith, the Tarot of Marseille, or other decks ranging from the well known to the rather obscure. While these books can be useful and informative, their card interpretations are largely restricted to the particular deck they focus on. *Tarot for Beginners* takes a different approach, offering basic card meanings that can be applied to any deck and used in tandem with any descriptions that accompany the deck you've chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime.
