Tarot Meditations Inspired by Creation Spirituality Rev. Dr. Richard E. Kuykendall, 2023-03-01 Tarot Meditations Inspired by Creation Spirituality is a book that has a threefold purpose First it provides those who read it with meditations on nearly every aspect of life from a spiritual perspective Secondly it provides much of the newest understanding of the tarot that we have to date And No the tarot did not originate in Egypt or some other esoteric place but rather in Northern Italy in the mid 1400s And finally it provides you with the means for doing art as meditation in that you can color most of the tarot card images In other words you can meditate on the tarot images as you color them

Learning Tarot Spreads Joan Bunning, 2007-02-01 Each tarot reader has a unique style that they hone over time into the fine art of divining the future In this essential guide to arranging cards into prophetic patterns Joan Bunning has compiled a veritable encyclopedia of tarot spreads with great appeal for accomplished readers who want to explore further as well as novices with their very first deck What sets Joan Bunning apart from every other writer on the subject of tarot is her ability to take a rather complicated esoteric system and break it down into manageable clear and easily learned parts Chapters include spreads for relationships family love money health work and even specific time periods Sample spreads are comprehensive ranging from many card Gypsy spreads to quick and easy Three Card Draws She also gives the

reader reference charts exercises and structured tarot lessons Tarot Plain and Simple Anthony Louis, 2010-09-08 Tarot Plain and Simple by Anthony Louis is the book you've been waiting for. As the title indicates, this book presents the Tarot in clear language that anyone can understand. If you've had trouble learning the Tarot, this book gives the meaning of each and every one of the 78 Tarot cards, both in simple terms and in depth, ones both upright interpretations and those for when a card is drawn reversed. Illustrations are from the elegant and mystic Robin Wood Tarot. This book leaves nothing out. It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view. It even includes several spreads and example readings. That way you can see exactly how the Tarot works, how the cards play off of each other, and how to give a reading. Turn to any page and see how you can learn meanings and interpretations. The Five of Cups shows a cloaked person with head down and three of five cups knocked over, spilling their contents. Upright, the card means mourning. But the key words and phrases give you so much more. It can also mean regret, sadness, loss of trust, an emotional letdown, betrayal in love, and much more. How can you tell which expression best fits the card? It depends upon where it falls in the spread and the cards that surround or lead up to it. This is explained in the clear but comprehensive section on Tarot card spreads and is illustrated in the sample readings. If you have been waiting for an ideal book to help you learn the Tarot, this is it. The longer you wait, the longer it will be before you can give effective Tarot readings. Get out that Tarot deck and get this book today.

Tarot - Your Everyday Guide Janina Renee, 2000 Every day you make choices. Some are big, some are small, but all will affect the course of your future. The good news is that you don't have to do it alone; the tarot can give you advice when you need it most. Reading the tarot for advice requires a different approach than reading for prediction. Tarot Your Everyday Guide presents a new method of tarot interpretation. You'll learn how to use the tarot to help you make an informed decision and determine a course of action for just about any life situation. For example, in an advice reading, the Two of Wands could mean you should set up your own challenges to work out goals, define issues, and work out compromises. If the King of Cups comes up in an advice reading, it means you must give encouragement, acknowledge the accomplishments of others, give rewards, and let others enjoy the limelight. Alternatively, it could mean you need to seek a mentor who has these qualities. The position of a given card within a spread and the cards before and after it will clarify the card's advice for you. You can even use advice readings to augment traditional divination. If a divinatory spread shows trouble ahead, consult the cards for advice on how to avoid the situation or lessen its impact. Whether you're an experienced tarot reader or have never even shuffled the cards, before this unique and practical book will open new doors of understanding and help you integrate the rich symbolism of the tarot into your daily life. Winner of the 2001 Coalition of Visionary Resources COVR Award for best Self-help Book.
