Tarascon Alphonse Daudet, 2017-03-25 MY first visit to Tartarin of Tarascon has remained a never to be forgotten date in my life although quite ten or a dozen years ago I remember it better than yesterday At that time the intrepid Tartarin lived in the third house on the left as the town begins on the Avignon road A pretty little villa in the local style with a front garden and a balcony behind the walls glaringly white and the venetians very green and always about the doorsteps a brood of little Savoyard shoe blackguards playing hopscotch or dozing in the broad sunshine with their heads pillowed on their boxes Outwardly the dwelling had no remarkable features and none would ever believe it the abode of a hero but when you stepped inside ye gods and little fishes what a change From turret to foundation stone I mean from cellar to garret the whole building wore a heroic front even so the garden O that garden of Tartarin s there s not its match in Europe Not a native tree was there not one flower of France nothing hut exotic plants gum trees gourds cotton woods cocoa and cacao mangoes bananas

palms a baobab nopals cacti Barbary figs well you would believe yourself in the very midst of Central Africa ten thousand leagues away It is but fair to say that these were none of full growth indeed the cocoa palms were no bigger than beet root and the baobab arborescens gigantea giant tree you know was easily enough circumscribed by a window pot but notwithstanding this it was rather a sensation for Tarascon and the townsfolk who were admitted on Sundays to the honour of contemplating Tartarin's baobab went home chokeful of admiration Tartarin De Tarascon Alphonse Daudet, 2020-03-31 In the first place you must know that everybody is shooting mad in these parts from the greatest to the least The chase is the local craze and so it has ever been since the mythological times when the Tarasque as the county dragon was called flourished himself and his tail in the town marshes and entertained shooting parties got up against him So you see the passion has lasted a goodish bit *Tartarin De Tarascon (With Notes and Vocabulary)*.
