The Son of Tarzan Edgar Rice Burroughs, 2021 The Son of Tarzan begins ten years after the conclusion of The Beasts of Tarzan During the past decade Alexis Paulvitch who had escaped Tarzan at the end of the last novel has lived a hideous life of abuse and disease among tribal people in Africa Now he is discovered by a European ship and taken aboard In the months that follows Paulvitch encounters the ape Akut whom Tarzan had befriended in that previous story at one of the ship s stops Because of Akut s interactions with Tarzan he is unafraid of white men and Paulvitch unaware of the previous relationship sees an opportunity to make some money He takes Akut to London and begins displaying him publicly After the trauma of the kidnappings ten years earlier Jane has refused to return to Africa or to allow Jack to know anything about his father s past for fear that he might somehow try to relive it Perhaps she instinctively knew that Jack was somehow very connected to Tarzan s old life for Jack did have an avid interest in wildlife and he was extremely athletic When the Claytons hear about the displayed ape they forbid Jack from going to see it But he sneaks off and does so anyway John Clayton follows his son and is surprised to find the ape is his old friend Akut and begins conversing with him Jack is amazed to see that his father could do so John then tells Jack of his life as Tarzan Jack continues sneaking away to see Akut and begins to learn the language of the apes Jack forms a plan to take Akut back to the jungle Paulvitch seeing an opportunity for revenge against Tarzan agrees to help Jack They escape to an African port where Paulvitch attacks Jack Akut kills Paulvitch and Jack terrified escapes into the jungle with him thinking he will have to run for the rest of his life **White** Richard Dyer, 2017-09-19 Now twenty years

since its initial release Richard Dyer's classic text *White* remains a groundbreaking and insightful study of the representation of whiteness in Western visual culture *White* explores how while racial representation is central to the organisation of the contemporary world white people have remained a largely unexamined category in sharp contrast to the many studies of images of black and Asian peoples Looking beyond the apparent unremarkability of whiteness Dyer demonstrates the importance of analysing images of white people Dyer places this representation within the contexts of Christianity race and colonialism In a series of absorbing case studies he shows the construction of whiteness in the technology of photography and film as part of a wider culture of light discusses heroic white masculinity in muscle man action cinema from Tarzan and Hercules to Conan and Rambo analyses the stifling role of white women in end of empire fictions like *Jewel in the Crown* and traces the associations of whiteness with death in *Falling Down* horror movies and cult dystopian films such as *Blade Runner* and the *Aliens* trilogy This twentieth anniversary edition includes a new introductory chapter by Maxime Cervulle entitled *Looking into the light Whiteness racism and regimes of representation* This new introduction illuminates how Dyer has made a major contribution to the study of contemporary regimes of representation by unveiling the cultural mechanisms that have formed and reinforced white hegemony mechanisms under which white people have come to represent what is ordinary neutral even universal

Horror as Racism in H. P. Lovecraft John L. Steadman, 2024-01-11 Providing a new perspective on Lovecraft's life and work *Horror as Racism in H P Lovecraft* focuses on the overlap between the writer's personal beliefs and the racist images and narratives in his speculative fiction Building on recent debates about Lovecraft and drawing on the concept of white fragility John Steadman argues that the writer's fiction reflects his feelings of resentment and anger towards non white persons and was used to advocate for his racist xenophobic political beliefs that western civilization was in decline and slavery was justifiable among superior civilizations In making these claims Lovecraft's tales pit humans against extra terrestrial aliens developing a terrifying futuristic vision of the Earth as a plantation planet The familiar image of Lovecraft as a reclusive creative genius and mentor to young writer friends is dismantled through close readings of his fiction and nonfiction including correspondence essays and poetry and examination of his early biography This image is replaced by that of a cruel callous and at times psychotic man a violently vitriolic racist and white supremacist who hated most of the non white races While some will dismiss the author outright and others will read his fiction but ignore the racism *Horror as Racism in H P Lovecraft* takes a middle ground acknowledging Lovecraft's personal history and heinous intentions it helps readers navigate the author's disturbing biography while also getting a better sense of the stories which remain significant
