

"God's Design: A Focus on Old Testament Theology"

5 pages | 1008 words

Dr. Elmer A. Martens, who passed away in September of 2016, has an impressive resume of works and writings that have proven impacting for many generations. Martens earned a BA from the University of Saskatchewan, and a BED from the University of Manitoba before graduating with a doctorate in Old Testament Studies from the Claremont Graduate School. Martens taught Old Testament and served as the President Emeritus of Mennonite Brethren Biblical Seminary in Fresno, California. In addition to serving in Fresno, Martens also taught in Japan, India, Korea, Russia, Kenya, Brazil, Congo, and Canada at different seminaries and colleges, including the Southern Baptist Seminary in Louisville, Kentucky. Among many great books, Martens crowning jewel was his book *God's Design: A Focus on Old Testament Theology*. Methods of biblical studies vary and have their strengths and weaknesses, but the most popular among scholars are historical, systematic, theological, topical, or exegetical. Regardless of the method of study, the drive behind systematizing biblical themes is to make sure they are relevant for each generation. In his book *God's Design: A Focus on Old Testament Theology*, Dr. Elmer Martens uses a synthetic method of biblical study to connect themes about God to mankind with the Old Testament as the backdrop upon which this connection occurs. To set his stage and show God's design for constructing his kingdom, Marten uses four headings focused around the essential text of Exodus 5:22-6:13: salvation, community, knowledge of God, and land. Throughout the book, Martens does an excellent job of isolating Old Testament theological ideology into three eras: pre-monarchic, monarchic, and post-monarchic. The first part of the book is written within the confines of the pre-monarchial era with an emphasis on the history of the nation of Israel, specifically its impact on the rise and growth of Christianity. The subjects of salvation and deliverance are showcased through Yahweh, the divine warrior. Martens points out, "While it may jar modern sensibilities to speak of Yahweh as warrior, one must understand and appreciate the advantage which this kind of language has over the abstract philosophical language of God as infinite, spirit, etc." Marten continues to define how salvation for Israel was not only due to the Warrior God, Yahweh, but also because of the cult; that is, all acts of ritual worship toward God, specifically, sacrifice. To explain, Marten offers, "Sacrifice, an early cult form, was connected to an act of deliverance. This deliverance from the angel of death was commemorated in worship rituals: each year Israel was required to observe the Passover." From the congregation to the individual, blood sacrifice played a significant role in the deliverance that Israel. To close out this first part of his book, Marten says, "The change of circumstance to come in history is to be grounded in a cultic act involving God's forgiveness. But in early Israel the deliverance models are basically distinct. Salvation as deliverance comes in history. Salvation as blessing is experienced through cult." The second part of Martens' book is discussed within the realm of the monarchial era. In this section of his book, Marten places God's design template over his...
