God's Grace for Graduates B&H Editorial Staff, 2018-06-01 If God's grace could talk Actually it already has And is And does And here's what it sounds like It sounds like hope for days when life feels absolutely overwhelming It sounds like promise that speaks into every relationship no matter how desperately in need or how dear to your heart It sounds like sufficiency in all those places where none of us is ever good enough It sounds like confidence that would make no sense at all except the full weight of God is steadfastly behind it If God's grace could talk it would sound exactly like what this book says in every Scripture on every page And it wouldn't sound nearly as old as it actually is because it's new every morning and within instant reach at every moment It would sound like God talking directly to you Because He is And does And always does it with grace
