The Farthest North Of Humanness Letters Of Percy Grainger 1901 14

Robert Simon

The Farthest North Of Humanness Letters Of Percy Grainger 1901 14:

The Farthest North of Humanness : Letters of Percy Grainger 1901-14 Kay Dreyfus (editor),1985 **The Farthest North of Humanness** Percy Grainger,1985 Farthest North of Humanness Percy Aldridge Grainger,1985-06-18

Grainger Journal Vol. 1 David Pear,Belinda Nemec,2011 **Self-Portrait of Percy Grainger** Malcolm Gillies,David Pear,Mark Carroll,2006-06-29 Shortly before his death Percy Grainger 1882 1961 lodged over twenty unpublished sketches in his Australian Museum Self Portrait of Percy Grainger draws exclusively from these sketches revealing for the first time an illuminating portrait of the composer s life With such titles as The Aldridge Grainger Strom Saga Thunks Ere I Forget The Love Life of Helen and Paris and Anecdotes these manuscripts were intended as precursors to Grainger s autobiography My Wretched Tone Life which he only commenced in his final years Expertly shaping these sketches the editors have created a self portrait along the lines that Grainger himself had intended The volume first introduces Grainger s forebears parents friends wife and himself before moving on to his views on composition performance and the musical world In these sketches Grainger addresses such topics as racial and national identity the meaning of work physical culture language reform sexual practice and artistic patronage Grainger also probes the nature of musical genius discussing a broad range of composers including Igor Stravinsky Thomas Beecham Frederick Delius Edvard Grieg Charles Stanford Cyril Scott Fritz Kreisler Donald Tovey Ferruccio Busoni and Balfour Gardiner Among the works of his own that Grainger most featured are his The Warriors Music for an Imaginary Ballet Colonial Song the Lincolnshire Posy series of band pieces his greatest hit Country Gardens and his many settings of English folk music Written in Grainger s own self created Nordic English as well as translated from Danish the language of his most intimate confessions Self Portrait of Percy Grainger sheds light on some of the most revealing details of the composer s life The sketches trace Grainger s changing self perception from the romantically tinged even lustful views of his forties and fifties through a period of wistfulness in his sixties to the bitterness and self loathing of his old age The volume also includes several of Grainger s own drawings as well as both public and private photographs A fascinating and revealing collection of vignettes this extraordinary book will appeal to instructors students and enthusiasts in musicology music history cultural studies and Australian British and American history *Guide to Score Study for the Wind Band Conductor* Frank Battisti,Robert Garofalo,2000-03-01 Meredith Music Resource This outstanding one of a kind text was designed to assist the conductor in achieving a personal interpretation of music **The Cyril Scott Companion** Leslie De'Ath,Lewis Foreman,Desmond Scott,2018 This Companion explores the life and work of this remarkably creative man It provides a comprehensive analysis and appraisal of all the available music and includes a complete catalogue of his musical works along with a discography Several works both music and literary are here newly catalogued and discussed Altogether the volume gives a broad picture of Scott s entire output in literary dramatic and philosophical genres Publisher The Life and Work of Percy Aldridge Grainger Teresa R. Balough,2023-06-08 What goes into the making of a creative genius and how

can their gifts be used to help uplift humankind These were questions that led the Australian American pianist composer and music educator Percy Aldridge Grainger 1882 1961 to exhaustively document his life his thoughts and his associations and establish in the country of his birth a museum dedicated to helping answer those questions Grainger was a creative genius who thought more in terms of the future than of the present and was an advocate for the role that music can play in creating a more harmonious and loving future for humankind This book is the first attempt to bring together in one volume the details of Grainger s life as they relate to his music using his own words and those of the people who knew him It makes use of many heretofore unpublished documents and musical examples and is written in such a way as to be accessible to all while also offering a detailed study of his musical works **Grainger the Modernist** Suzanne Robinson, Kay Dreyfus, 2016-03-09

Unaccountably Percy Grainger has remained on the margins of both American music history and twentieth century modernism This volume reveals the well known composer of popular gems to be a self described hyper modernist who composed works of uncompromising dissonance challenged the conventions of folk song collection and adaptation re visioned the modern orchestra experimented with ego less composition and designed electronic machines intended to supersede human application Grainger was far from being a self sufficient maverick working in isolation Through contact with innovators such as Ferruccio Busoni L on Theremin and Henry Cowell promotion of the music of modern French and Spanish schools appreciation of vernacular jazz and folk musics as well as with the study and transcription of non Western music he contested received ideas and proposed many radical new approaches By reappraising Grainger s social and historical connectedness and exploring the variety of aspects of modernity seen in his activities in the British American and Australian contexts the authors create a profile of a composer propagandist and visionary whose modernist aesthetic paralleled that of the most advanced composers of his day and in some cases anticipated their practical experiments **Percy Grainger** Robert Simon, 1983

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **The Farthest North Of Humanness Letters Of Percy Grainger 1901 14** .
