the flora and fauna of the Caribbean Young readers will appreciate the importance of tolerance and friendship in *The Butterfly and the Bat* whilst overcoming fears and gaining courage is the message of *Billy the Basketball* Some of the amusing and funny stories include *The Snails go to school* and *Louise likes leaves* Humility and wisdom can be found in the final story *Choosing a King* Excel Basic Skills Homework Book Alan Horsfield,2004 After completing Excel Basic Skills Reading and Comprehension Years 1 2 your child will have improved their reading and comprehension skills and will be prepared for more advanced work at primary school level In this book your child will find a step by step learning approach a review of basic reading and comprehension skills a wide variety of activities many different text types to read and analyse a lift out answer section Comprehension of text involves bringing meaning to written and spoken language It is more than the reading of printed words The meaning of words their context in which they exist along with punctuation and writing style all contribute to the comprehension of a specific piece of text By experiencing a range of text types the child is more able to find the meaning in a given text This book uses a range of text types so that the student will feel confident in a variety of situations Text types are usually broken into two broad types Within each group are numerous varieties some are listed below
