The Fix It Better Ways:

The Fix K'wan,2014-02-25 What would you do if you felt like you were dying and the only thing that could save you was the very thing that was killing you Persia Chandler doesn't know the meaning of the word struggle After the arrest of her notorious father she is whisked away from Harlem the only place she has ever called home to be raised in an affluent neighborhood in Long Island City Her mother and stepfather shower her with the best that life has to offer During her senior year in high school she convinces her parents to let her transfer from Catholic school to attend public school That is the start of her problems but it's hardly the end In her new school Persia is reunited with the friends she was forced to move away from and starts to drift further and further from the life her mother and stepfather have built for her To the sheltered Persia the Harlem underworld is like one big adventure Things promise to get even more interesting when she starts dating a dealer named Chucky He introduces her to his world of sex money and drugs dragging Persia along with him on a long and bitter ride into the bowels of addiction

The Fix Omar Shahid Hamid,2019-06-27 Will the profusely talented Sanam Khan's rise to the pinnacle of world cricket be interrupted by the bookies and the powerful match fixing mafia Ever since she was fifteen years old the talented Sanam Khan has only had one dream to win a world cup for her country Now thanks to her own efforts as the captain her team of talented misfits in the Pakistan Women's cricket team stand on the verge of realizing that dream But fate intervenes and the team's success attracts the great corruptors of the sport the match fixing syndicates that captured the men's team two decades ago Will Sanam and her girls succeed where the men failed or will history repeat itself

The Fix Michelle P. King,2020-03-03 In the vein of *Girlboss* and *Nice Girls Don't Get the Corner Office* discover how to thrive at work from the head of the Global Innovation Coalition for Change at UN Women with this passionate practical roadmap for addressing inequality and finally making our workplaces work for women Arianna Huffington For years we've been telling women that in order to succeed at work they have to change themselves first lean in negotiate like a man don't act too nice or you'll never get the corner office But after sixteen years working with major Fortune 500 companies as a gender equality expert Michelle King has realized one simple truth the tired advice of fixing women doesn't fix anything The truth is that workplaces are gendered they were designed by men for men Because of this most organizations unconsciously carry the idea of an ideal worker typically a straight white man who doesn't have to juggle work and family commitments Based on King's research and exclusive interviews with major companies and thought leaders *The Fix* reveals why denying the fact that women are held back just because they are women what she calls gender denial is the biggest obstacle holding women back at work and outlines the hidden sexism and invisible barriers women encounter at work every day Women who speak up are seen as pushy Women who ask for a raise are seen as difficult Women who spend hours networking don't get the same career benefits as men do Because women don't look like the ideal worker and can't behave like the ideal worker they are passed over for promotions paid less and pushed out of the workforce not because they aren't good enough but

because they aren't men In this fascinating and empowering book King outlines the invisible barriers that hold women back at all stages of their careers and provides readers with a clear set of takeaways to thrive despite the sexist workplace as they fight for change from within Gender equality is not about women and it is not about men it is about making workplaces work for everyone Together we can fix work not women

The Fix Kristin Rouse, 2017-07-25 A young alcoholic in recovery is caught between his need to stay on the straight and narrow and a love he can't deny in this romance series debut Six months into recovery Ezra Mackenzie is only slightly less of a disaster than he used to be He can hardly manage the cinnamon rolls for his best friend Anja's wedding brunch He has a lot of work to do before he can look himself in the mirror and like what he sees let alone re-enter the dating world After all what kind of woman would be interested in a screw up like him An incredibly alluring one as it turns out From the moment they meet Ezra and Juliana are drawn to each other and that's exactly why he tries to keep his distance He knows that romance ought to come second to his shaky new sobriety But self control has never been his strong suit As he nears the one year mark in his recovery Ezra's demons refuse to stay buried and his desire to be the man Juliana deserves can't compete with the fix he never stops craving
