The Flaming Forest James Oliver Curwood, 2004-10 An hour ago under the marvelous canopy of the blue northern sky David Carrigan Sergeant in His Most Excellent Majesty's Royal Northwest Mounted Police had hummed softly to himself and had thanked God that he was alive He had blessed McVane superintendent of N Division at Athabasca Landing for detailing him to the mission on which he was bent He was glad that he was traveling alone and in the deep forest and that for many weeks his adventure would carry him deeper and deeper into his beloved north Making his noonday tea over a fire at the edge of the river with the green forest crowding like an inundation on three sides of him he had come to the conclusion for the hundredth time perhaps that it was a nice thing to be alone in the world for he was on what his comrades at the Landing called a bad assignment If anything happens to me Carrigan had said to McVane there isn't anybody in particular to notify I lost out in the matter of family a long time ago *Ahead of the Flaming Front* Jerry D. The Tail of the Flaming Lion and Other Such Tales Amy C. Swoboda, 2023-03-24 About the Book Mark of the Phoenix Ashes to Rebirth is really about continuing to press on even when things get as bad as they can be Mara has dealt with just about every problem possible growing up from an unsafe home environment as a kid to being assaulted as a young adult and even becoming a single teenage mother But she continues to press on and never lets anything stop her Mark of the Phoenix also contains some views on issues in the real world that are oftentimes ignored or overlooked or have just been blown out of proportion and so at least some people may read this and maybe agree and act on it in their own lives About the Author Amy C Swoboda listens to a lot of music and relaxes with video games sometimes but her mind is always going As somebody with an encyclopedia's worth of health problems it's important to her to keep going and always stay busy She loves working with her hands and the thought of creating something is always a thrill she needs in life so most of her job experience is in manufacturing and assembly work But writing has always been her passion because to her it's the ultimate form of expressing yourself in ways that can reset the boundaries of life in general **The Flaming Sword of France**

Chapter 1 Charred Lands and Flame A huge empty plain lay in a mysterious area far away hidden by tall mountains and thick woods A big dormant volcano lay beneath the top of this plain making it one of a kind Ember the horse that was on fire lived here in the gray and black volcanic ash that covered the whole area Ember wasn t like other unicorns It was stunning to see with its beautiful hair on fire and moving like it was dancing in the wind Its feet sparkled like diamonds as it ran across the ground leaving a light trail behind them The volcano had been dormant for thousands of years but now it was Ember s home and a peaceful place to relax There was a golden glow around Ember every morning when he woke up as the sun was rising Ember s fiery mane would catch the first rays of sunlight making a beautiful show of brightness that stood out against the dark surroundings Then Ember would start its day by racing over the well worn paths it knew paths that wound around rocky outcroppings that looked like the spines of a huge sleeping animal and around large fields of ash Because of the warmth coming from deep in the ground life grew even though the area looked empty There were patches of bright red grass all over the fields making for an interesting and beautiful scene This grass which was as red as Ember s flames was eaten by it It happily grazed loving the warm ground under its hooves The constant warmth of

this place was a gentle reminder of how strong that person really was Ember had a calm life She spent her days thinking about herself and quietly looking into things Ember liked finding new places in the large ash fields and she would sometimes go near the edge where the ash gave way to the solid hard rock of the volcano s shell From these spots Ember could see the land around her the woods that surrounded the white fields and the mountains that rose high into the sky The volcano was a scary silent monster Its rumblings were a memory and its explosions were a dream Ember had heard stories about how the volcano exploded and sent ash and flames into the sky The stories were whispered through the ash by the wind But that was a long time ago In the harsh land around it the volcano was a safe place to stay warm and a steady presence Ember s life was simple but full of happiness There was a wide open sky above warm ground to rest on bright red grass to eat and nothing else It seemed like its days had a natural flow like the beat of its heart Ember didn t know it but her peaceful life was about to change When Ember s new story was about to start the volcano that had been keeping her safe in silence moved Ashen regions were not the only places Ember would be going to on this exciting trip It would take it into new areas and to a future it could never have imagined As the days went by Ember noticed a small change in the mood that made her think of something that was about to happen The ground under its feet which had been warm before became hotter all of a sudden and the air was filled with excitement Ember felt something stirring inside her like a spark of joy that meant something new was about to start but she had no idea what it was So with its bright main light shining against the gray background Ember kept traveling the empty fields not knowing
