A PORTRAIT OF EDMUND KEAN

Giles Playfair

The Flash Of Lightning A Portrait Of Edmund Kean

Giles Playfair

The Flash Of Lightning A Portrait Of Edmund Kean:

The Flash of Lightning Giles Playfair, 1983 **The Cult of Kean** Jeffrey Kahan, 2017-11-30 A Shakespearean actor who made his career on the public stage whose sex life was known and discussed in Britain America and France Edmund Kean has inspired numerous writings many biographies among them But until now no work has tackled the complicated and fascinating story of his literary appropriation both in his own day and after his death Dealing with the way a variety of canonical authors including Byron Coleridge Keats Dumas Twain and Sartre appropriated Kean through the centuries The Cult of Kean traces a remarkable literary legacy In each chapter Jeffrey Kahan discusses how many of history s greatest figures viewed Kean and how these figures examined and discussed themselves in relation to or projected themselves onto a variety of constructions of the great actor Kahan first explores the rise of Kean in light of rising democratic sympathies then in light of Kean s equally autocratic dealings with playwrights among them John Keats He looks at Kean s sexual shenanigans at Drury Lane exploring them in the wider social context of infidelity and explores perceptions of Kean in America during his 1820 1 and 1825 6 tours The Cult of Kean cites many letters from Kean s mother and still others from his wife none of which have been published previously The study also features rare and interesting paintings of Kean as well as depictions of how writers actors and film makers continue to add to his remarkable literary legacy **The Death of the Actor** Martin Buzacott, 2013-10-31 In The Death of the Actor Martin Buzacott launches an all out attack on contemporary theatrical practice and performance theory which identifies the actor rather than the director as the key creative force in the performance of Shakespeare Because actors are absent from the site of Shakespearean meaning he argues the illusion of their centrality is sustained only by a rhetoric of heroism violence and imperialism Lives of Shakespearian Actors, Part II, Volume 1 Gail Marshall, Tetsuo Kishi, Jim Davis, Lisa Freeman, Peter Raby, 2024-05-17 During the eighteenth century theatrical writing developed as a genre The publishing market responded to a seemingly insatiable appetite for accounts of the personalities social lives and performances of celebrated entertainers This series features actors who were significant in their development of new ways of performing Shakespeare *A Documentary History of the African Theatre* George Thompson, 1998 A history of the African Theatre the first all black theatre company in the United States Founded in 1821 in New York by William Alexander Brown the African Theatre was created in response to the social segregation of the day Within its first year however the theatre had expanded its audience No longer characterizing itself as a resort primarily for New York s African American community it began to address itself to New Yorkers in general The author has researched and documented all available facts about the company its members productions playhouses length of operation types of audiences and the reasons for its demise **Encyclopedia of Romanticism (Routledge Revivals)** Laura Dabundo, 2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age

the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The books considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars

Romanticism and Theatrical Experience Jonathan Mulrooney, 2019-01-10 Bringing together studies in theater history print culture and literature this book offers a new consideration of Romantic period writing in Britain Recovering a wide range of theatrical criticism from newspapers and periodicals some of it overlooked since its original publication in Regency London Jonathan Mulrooney explores new contexts for the work of the actor Edmund Kean essayist William Hazlitt and poet John Keats Kean s ongoing presence as a figure in the theatrical news presented readers with a provocative re imagining of personal subjectivity and a reworking of the British theatrical tradition Hazlitt and Keats in turn imagined the essayist and the poet along similar theatrical lines reframing Romantic prose and poetics Taken together these case studies illustrate not only theater s significance to early nineteenth century Londoners but also the importance of theater s textual legacies for our own re assessment of Romanticism as a historical and cultural phenomenon

Britain in the Hanoverian Age, 1714-1837 Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families

Romantic Actors and Bardolatry Celestine Woo, 2008 Especially those who have sensed that the denial of the mother s voice has played a critical role in their own self alienation and its melancholy moods will discover that this book has much to offer them as well Donald Capps Princeton Theological Seminary Book Jacket *Shakespeare and the Romantics* David Fuller, 2021-02-11 Romantic criticism of which Shakespeare is the central figure invented many of the modes of modern criticism It is also distinct from many contemporary academic norms Engaged with the social and intellectual currents of an age of revolutionary change it is experimental writerly and individually expressive Above all it is creative in response to the difficulties of understanding aesthetic experience in new ways and in setting those experiences in new cultural and political contexts that Shakespeare s work helped to shape This book presents the main currents of these exciting but relatively little known engagements with Shakespeare and through Shakespeare with the theory and practice of criticism in England

Germany and France from the 1760s in Germany to the aftermath of the Romanticism in France It also discusses Shakespeare in the theatre of the period realist stagings which prefigure Shakespeare films adaptations which fitted Shakespeare to contemporary tastes and bare stage experiments which foreshadow modes of contemporary theatre A chapter on scholarship in the period shows Shakespeare as central to modern editing and historical criticism Much of the writing discussed is by men and women whose focus is not primarily critical but creative poetry Coleridge Keats Heine fiction Stendhal drama Lessing or all three Goethe Hugo cultural critique Jameson de Sta l philosophy Hamann Herder politics Hazlitt Guizot aesthetics the Schlegel circle or new original work in other media Berlioz Delacroix Chass riau It is writing directed to new modes of creating as well as new modes of understanding
