The Finnish Dilemma George Maude,1976 *The Finnish Dilemma* George Maude,1976 **The American Conception of Neutrality After 1941** J. Gabriel,2002-07-09 The American Conception of Neutrality After 1941 by J rg Martin Gabriel is a study of global political history since 1941 with a particular emphasis on America s attitude to neutrality This important revised and updated edition contains three entirely new chapters including an insightful new introduction and conclusion drawing on newly released documentation most importantly on Southeast Asia and the Vietnam War Like the previous edition this book looks at world affairs through the eyes of neutrality It covers amongst other issues America s contribution to the decline of world neutrality the major economic and military events surrounding the Second World War the founding of NATO and the problems of neutralism during the Vietnam War This new edition however goes one step further to confirm with fresh new evidence e g the end of the Cold War and the Unification of Germany the central thesis of the original volume American foreign policy is an important topic of continuing interest *The Germans And Their Neighbors* Dirk Verheyen,Christian Soe,2019-07-09 For Germany s neighbors perhaps more acutely than for observers elsewhere the 1990 reunification of divided Germany has raised old memories and new concerns in public and scholarly discourse The shape and influence of these issues are the subject of this unique ambitious book Organized into country specific chapters the book offers original expert analyses of Germany s relations with seventeen European neighbors as well as with the United States The contributors explore the essential concerns these nations have faced in their bilateral relations with Germany past present and future In their introduction the editors trace both commonality and diversity in various national conceptions of the German Question and the ways in which these perceptions in turn generate shared as well as divergent national policy agendas vis a vis united Germany *Finland in the Twentieth Century* D. G. Kirby,1980-01-18 Examines Finland s search for a national identity *Securing Europe's Future* Stephen J. Flanagan,Fen Osler Hampson,2021-01-26 This book first published in 1986 analyses a number of emerging enduring and neglected issues that affected European security and the stability of the Atlantic Alliance at the end of the Cold War It provides a comprehensive review of the major political social and economic issues that shaped the course of European security It offers a thorough assessment of such critical questions as European views of the US Strategic Defense Initiative the contribution of new technologies and tactics to NATO s conventional defence capabilities and domestic factors that influenced security policy It also provides original analysis of a number of issues such as economic dimensions of security the quest for a European defence identity and protection of Western interests outside the NATO area It provides a review of the nuclear question and of the German security debate in the aftermath of the initial US INF missile deployments Deterrence, Reputation and Cold-War Cycles John D. Orme,1992-06-18 A historical reexamination of the Cold War s cyclical pattern It aims to show how Soviet aggressiveness was most likely to occur when the credibility of US efforts at deterrence was damaged by the inability or unwillingness of the

US to meet previous challenges The Human Dimension of the Helsinki Process Arie Bloed, Pieter van Dijk, 2021-09-27
