The First New Testament

Stanley E. Porter

The First New Testament:

First New Testament Jason Beduhn, 2013-11-05 The earliest version of the New Testament now in English for the first time History preserves the name of the person responsible for the first New Testament the circumstances surrounding his work and even the date he decided to build a textual foundation The First New Testament Jason BeDuhn, 2014-06-30

The First Edition of the New Testament David Trobisch, 2000 Publisher description New Testament Theology and the Greek Language Stanley E. Porter, 2022-10-20 In this book Stanley E Porter offers a unique language based critique of New Testament theology by comparing it to the development of language study from the Enlightenment to the present Tracing the histories of two disciplines that are rarely considered together Porter shows how the study of New Testament theology has followed outmoded conceptual models from previous eras of intellectual discussion He reconceptualizes the study of New Testament theology via methods that are based upon the categories of modern linguistics and demonstrates how they have already been applied to New Testament Greek studies Porter also develops a workable linguistic model that can be applied to other areas of New Testament research Opening New Testament Greek linguistics to a wider audience his volume offers numerous examples of the productivity of this linguistic model especially in his chapter devoted to the case study of the Son of Man

The Holy Bible, Containing the Old and the New Testament, and Apocrypha, 1811

Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT

New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

The Text of the New Testament in Contemporary Research Bart D. Ehrman, Michael W.
