The First One Is Free:

The First One Is Free J B Purdy, 2006 John MacPeace AKA Johnny Dodger is just an accident waiting to happen or at least that's how it seems to those around him. Incidents just seem to occur whenever and wherever he happens to be. It has been that way as long as John can remember. Johnny has been dragged back home to his small Indiana town, a place he thought he would never see again and finds himself in a life and death struggle when he agrees to do a small albeit shady delivery job for a man he never liked and often fought. But money being money and John without any he agreed to take the gig only to find out he has been duped and is now set up as the patsy to take the fall by his hated nemesis. He does his best to solve a case that the local police are sure has Johnny Dodger's name written all over it. As if those weren't enough problems for John, his long lost girlfriend Ellie Stomperheim has reasserted herself into his life and has decided to assign herself as his partner while she is on summer break from her teaching job. Thomas Magnum he is not. A very funny novel J B Purdy is Indiana's modern day Mark Twain. David D Hale Visiting Defense Fellow Centre for Policy Studies Queen's University Kingston Ontario Canada. Johnny Dodger is an irresistible cad and I love him for that. Karen Burden Tucson Arizona. Once I started this book I couldn't put it down. Cindy Pierce Terre Haute native.
